

SOUL EATER

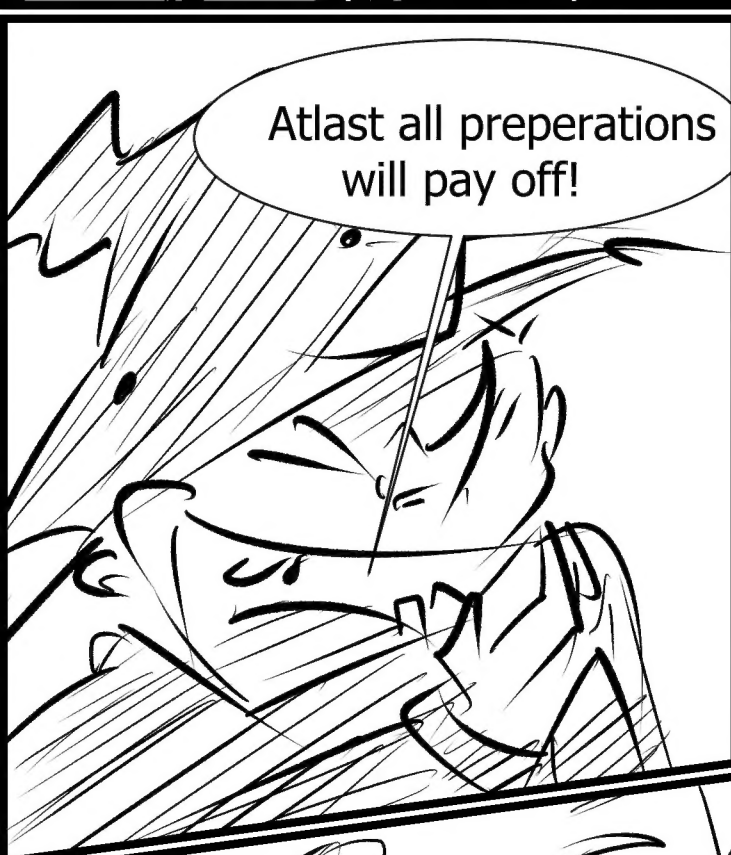

Post...

THE WITCH MASS

13

Hehe, finally,
today is the
day!

Atlast all preparations
will pay off!

Bu-but
wh-what
if the other
wit-witches...
Or e-even Mab-

Hehe, you just have
to get into the flow
of it and stop worrying,
it will all make sense,
nobody will say no to
the perfect plan, especially
with my charisma!

Ugh, I
hate that
voice...

Y-you
are right
Kurma!

Who let that
old wrinkly
hag in?

I heard she
is only 4-

Hehe

Ough

THUD

Kurma!

Look, the
mole is
playing
in the dirt!

Nice center
of gravity!

A-are
yo all-right!?

Hehe, don't worry,
it's just some friendly
teasing between sisters!

Ugh, did she
just imply that
we are related?!

Tch, I don't
remember a
ehanced trashbag
in my lineage!

Hehe, nono,,
I ment that we
witches are all
sisters in arms,
following the
same goal:

DESTRUCTION!

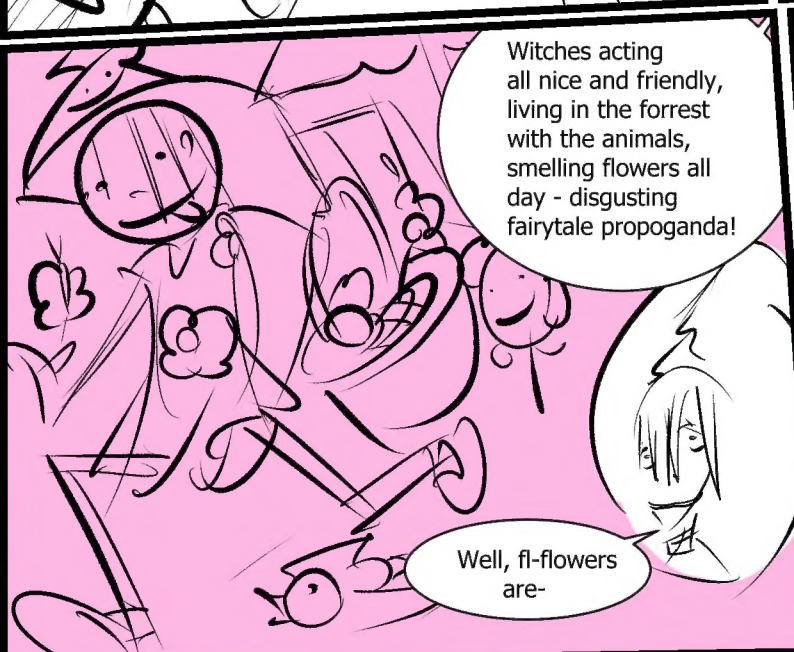

Whatever,
the only thing
you should be
worried about
destroying is
the calories in
your diet!

huhuh

Th-they
we-were just
mean afterall...

Nonono, you don't
get it, that's what
we want!

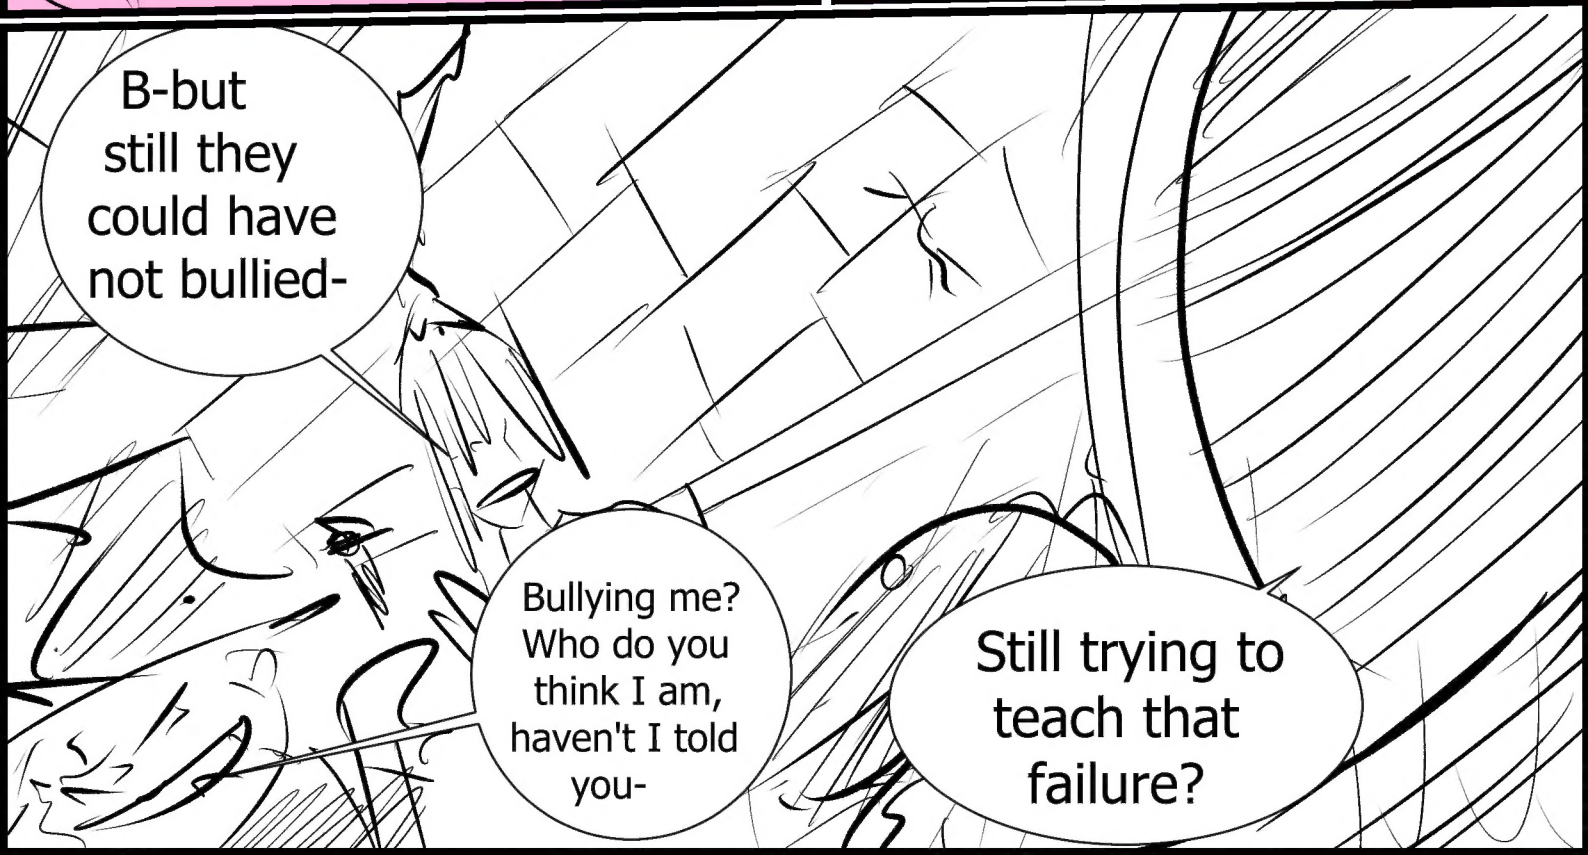

Witches acting
all nice and friendly,
living in the forrest
with the animals,
smelling flowers all
day - disgusting
fairytale propoganda!

Well, fl-flowers
are-

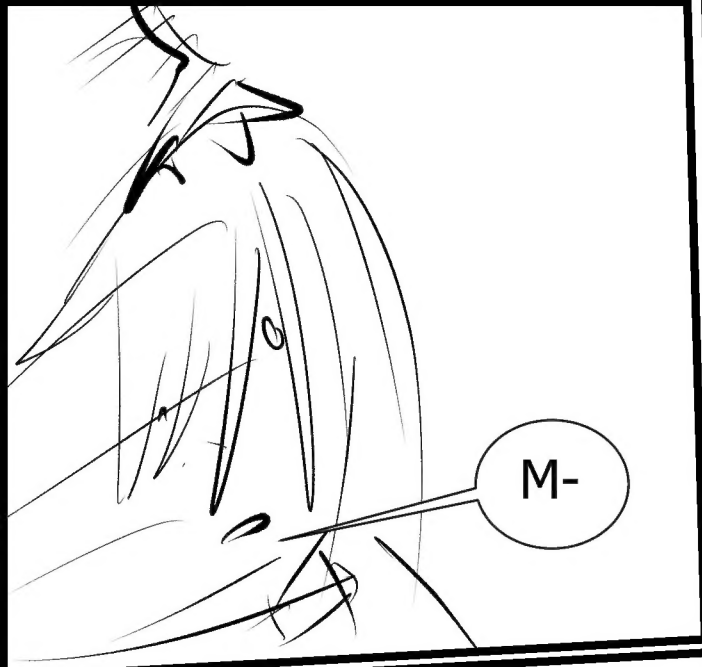

What we need is
young hotbloded
witches that are
willing to attack
everything, no
matter what!

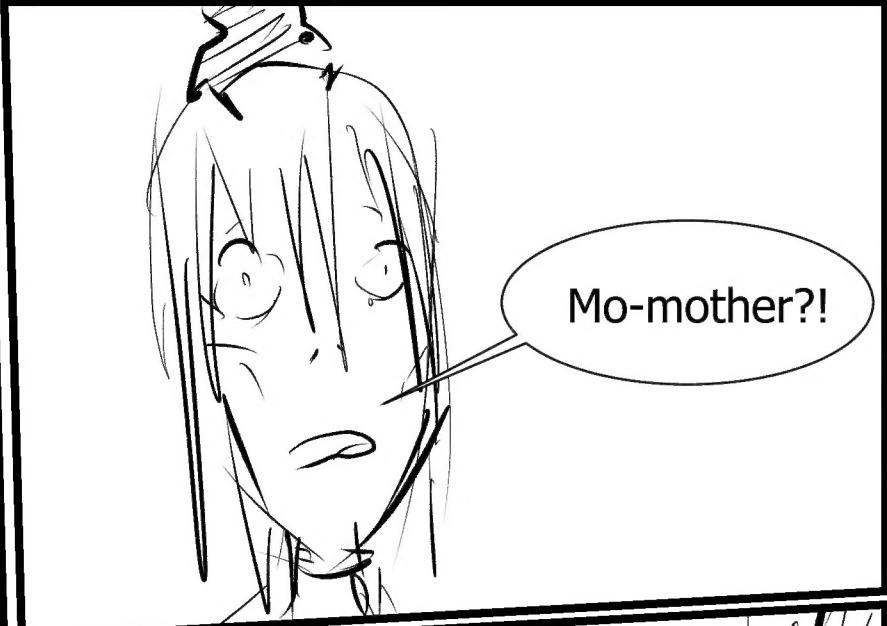

B-but
still they
could have
not bullied-

Bullying me?
Who do you
think I am,
haven't I told
you-

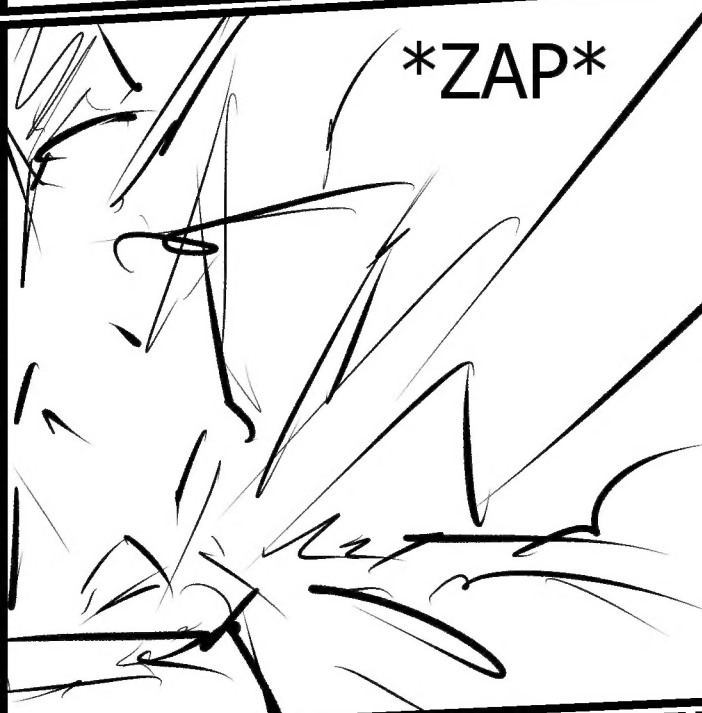

Still trying to
teach that
failure?

M-

Mo-mother?!

ZAP

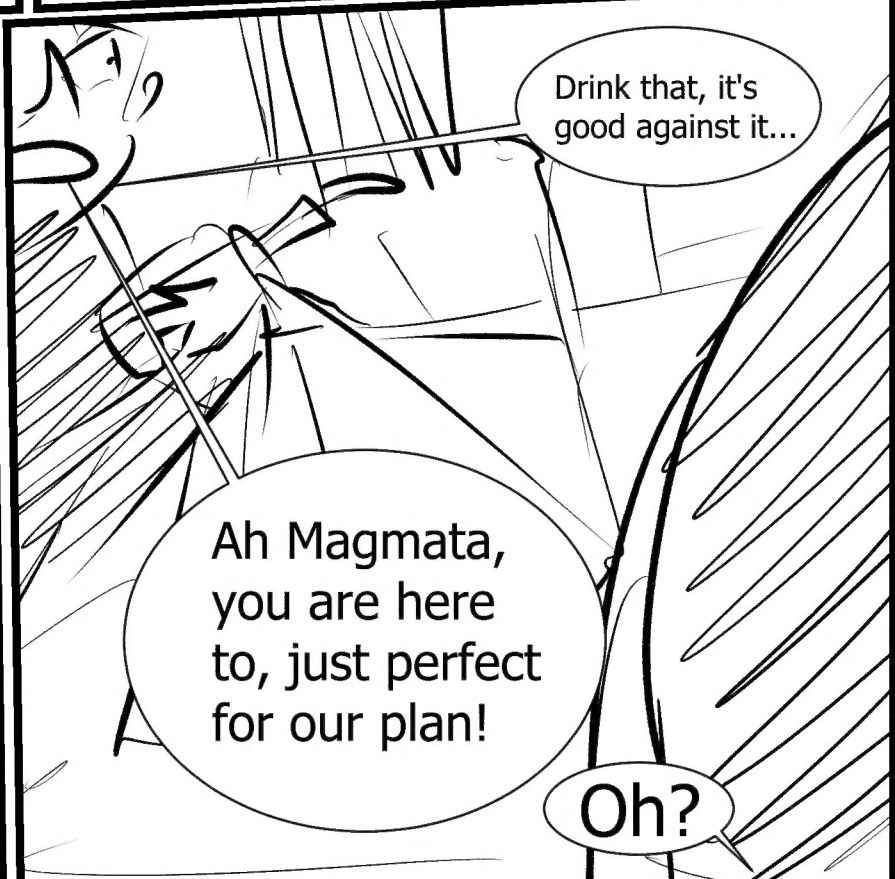

I-I'm s-s-sorry...

Zalte, you alive?!

Pathetic

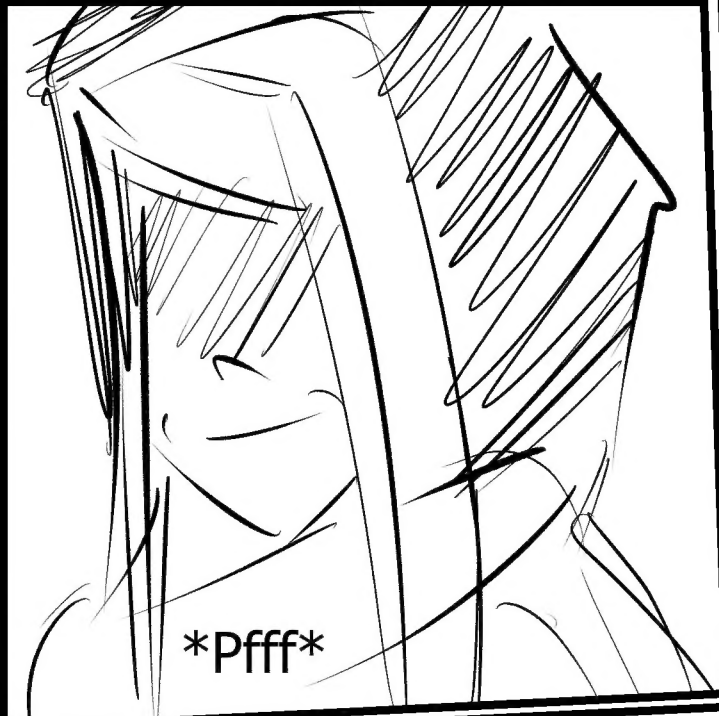

Falling from
such a feeble
shock? Just
proof that you
deserved it

Drink that, it's
good against it...

Ah Magmata,
you are here
to, just perfect
for our plan!

Oh?

Pfff

HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA
HAHAHAHAHA

HAHAHAHAHAHAHA
HAHAHAHAHAHAHA
HA HAHAHAHA
HA HAHAHA
HA HAHAHA

HAHHAHA

Allways has
to overdo it...

Your plan?

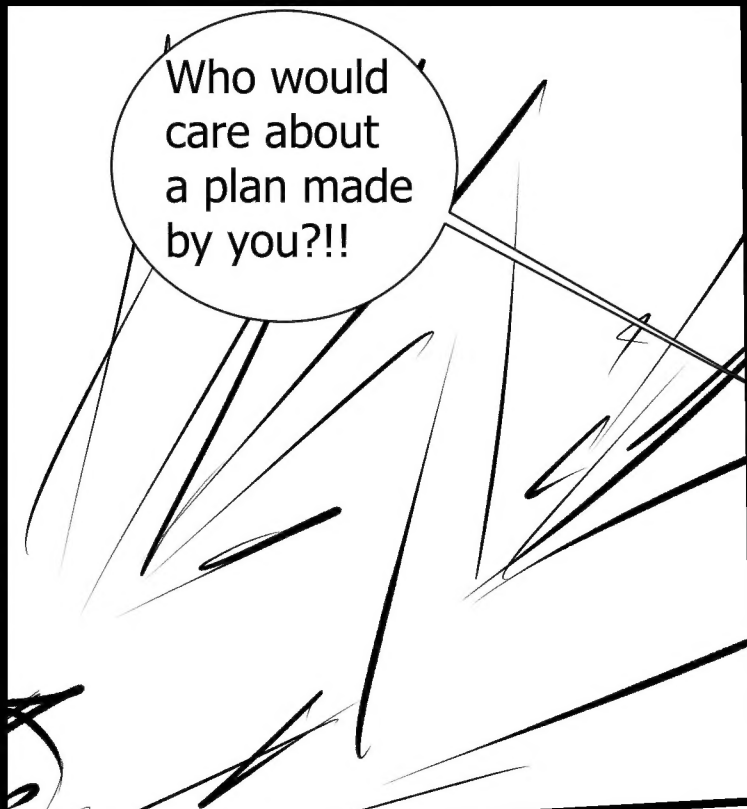

Like your
diet plan
or what?!

Or do you need
some shock therapy,
I can help you with that....

Hehe no, I mean-

I get what
you mean ugly,
I'm just mocking
you, because isn't
it obvious:

Who would care about a plan made by you?!!

Maul-maul-wurf-wur...

Tch, you with your dirty redirection trick....

Think you are tough just because even electricity is repulsed by you?

Enough fighting

Who-

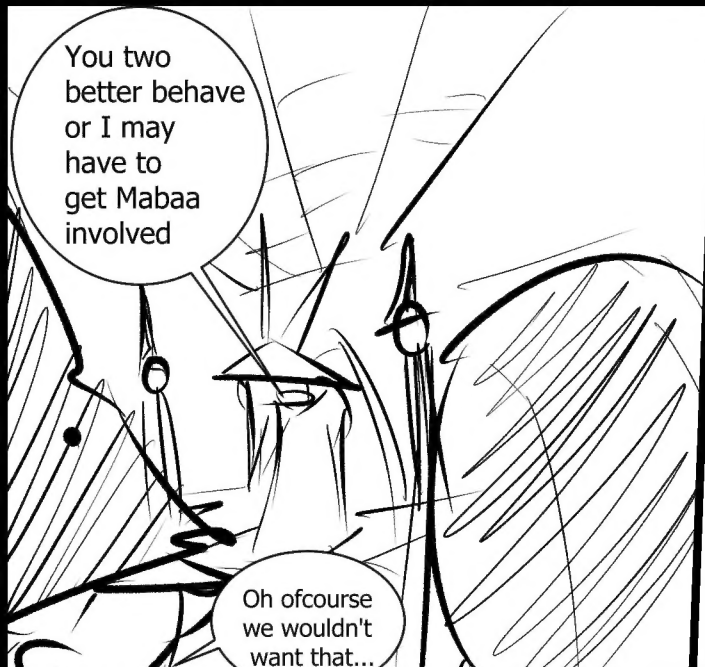

Hehe, we were just having a friendly squable!

How many witches have perished already? Not just traitors such as Medusa and Arachne but many more that didn't deserve it

Medusa...

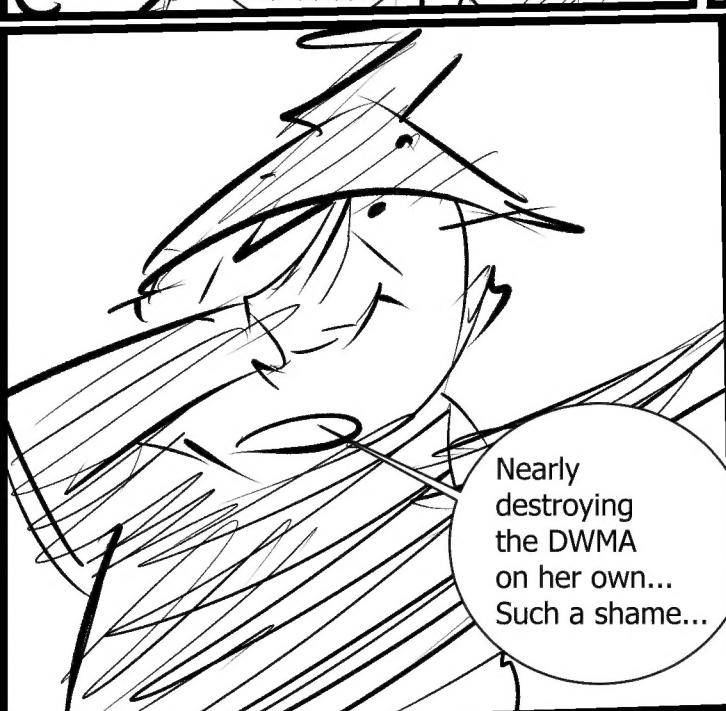

You two better behave or I may have to get Mabaa involved

Oh ofcourse we wouldn't want that...

That a tragedy like Medusas end happens again, when she was so close...

Nearly destroying the DWMA on her own... Such a shame...

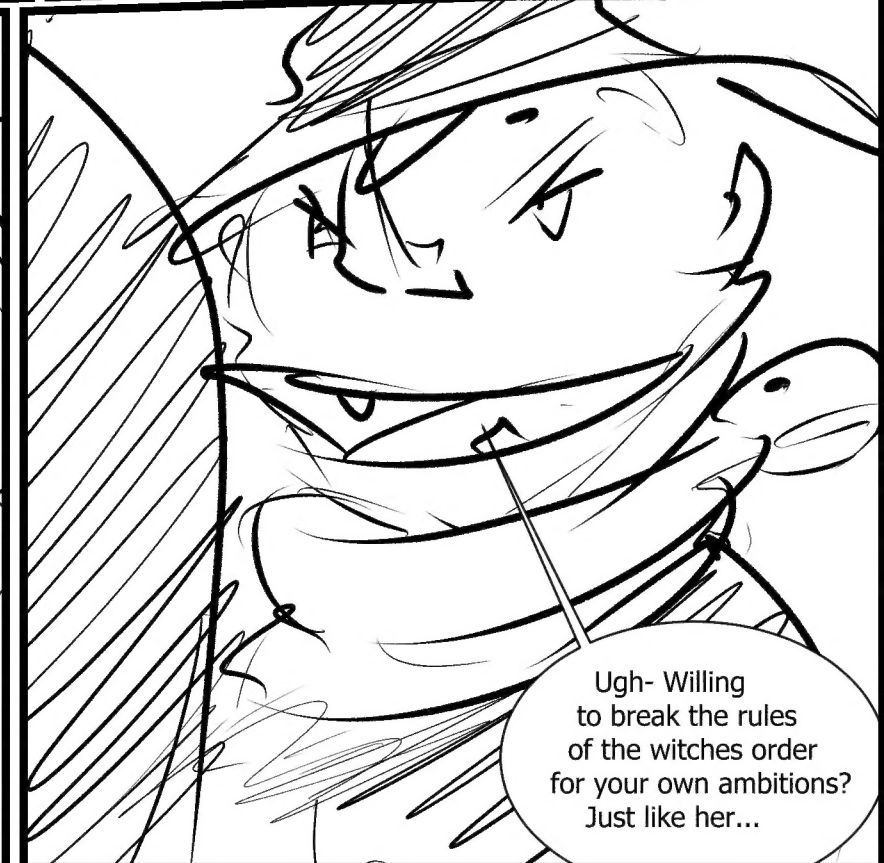

The rest of us witches sadly are just so weak that we can't even finish what she has started...

Weak?! I'll show you!

P-please don't!

Ugh- Willing to break the rules of the witches order for your own ambitions? Just like her...

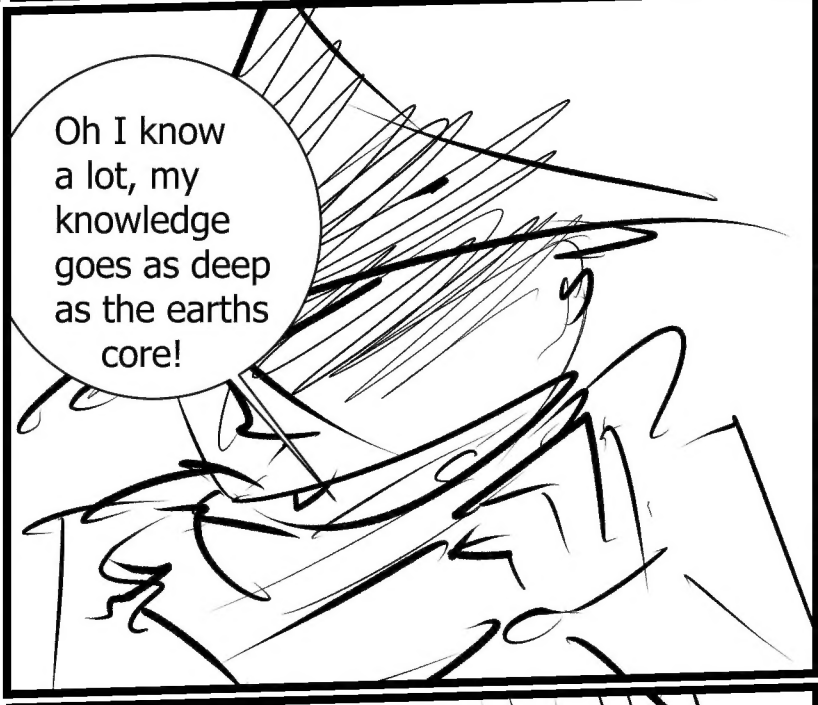

What are you implying?

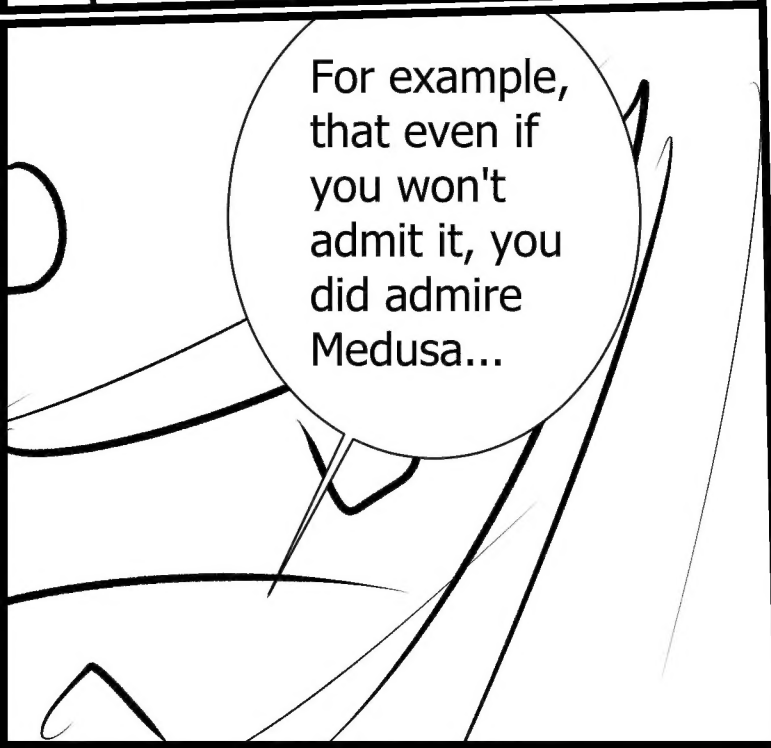

What a fashionable hood, I wonder what or who inspired you to exchange it for your hat?

What do you know you wrinkly wrench!

Oh I know a lot, my knowledge goes as deep as the earths core!

For example, that even if you won't admit it, you did admire Medusa...

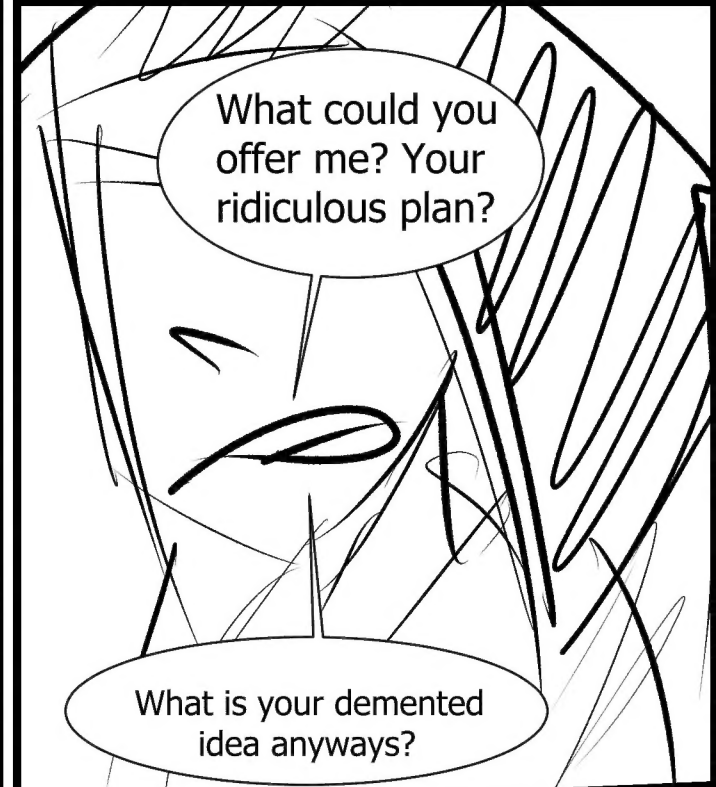

Or is that the wrong word?

Maybe envy, jealousy fits better!

I'll make you into eel food!

Oh but you
are smart
enough to
not recycle
me like that
just yet, when
you know that
I have something
worthwhile to
offer...

What could you
offer me? Your
ridiculous plan?

What is your demented
idea anyways?

Interested
afterall, hmm?

tch, I just
want a quick
laugh

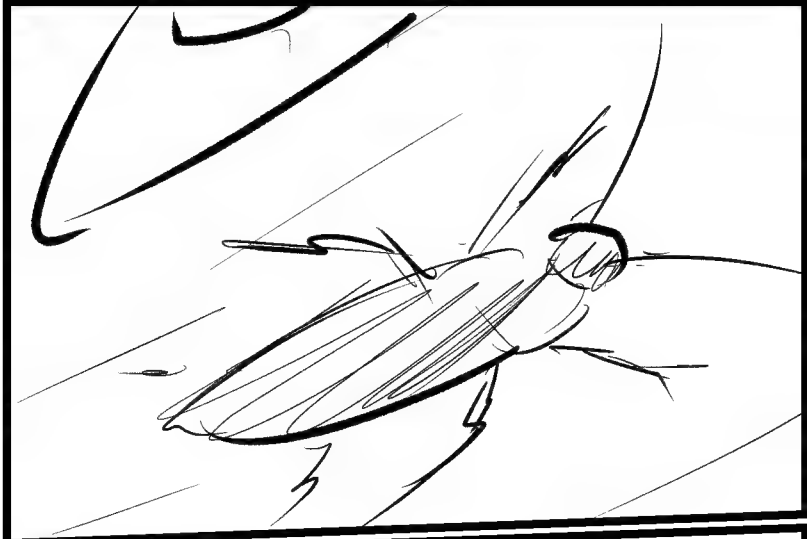

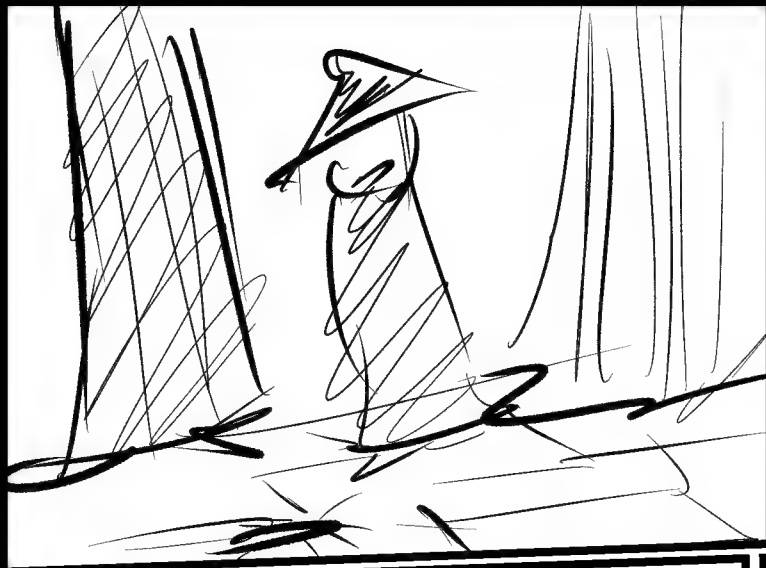

It's simple...

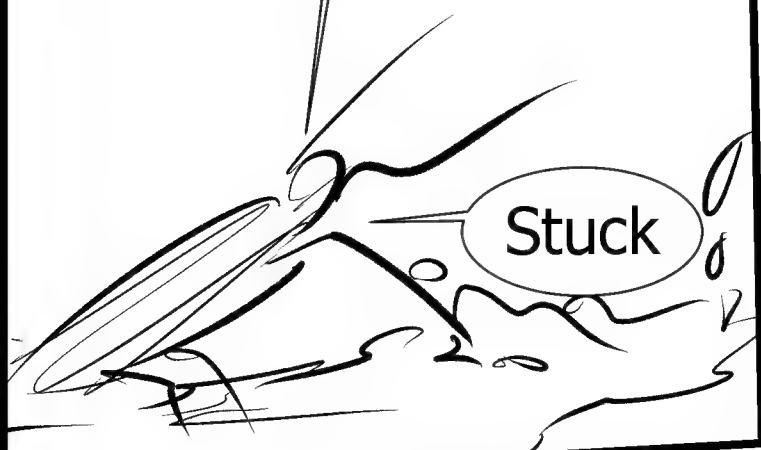

We will
destroy
the DWMA!

Encountered
adhesive substance,
assessing situation...

Stuck

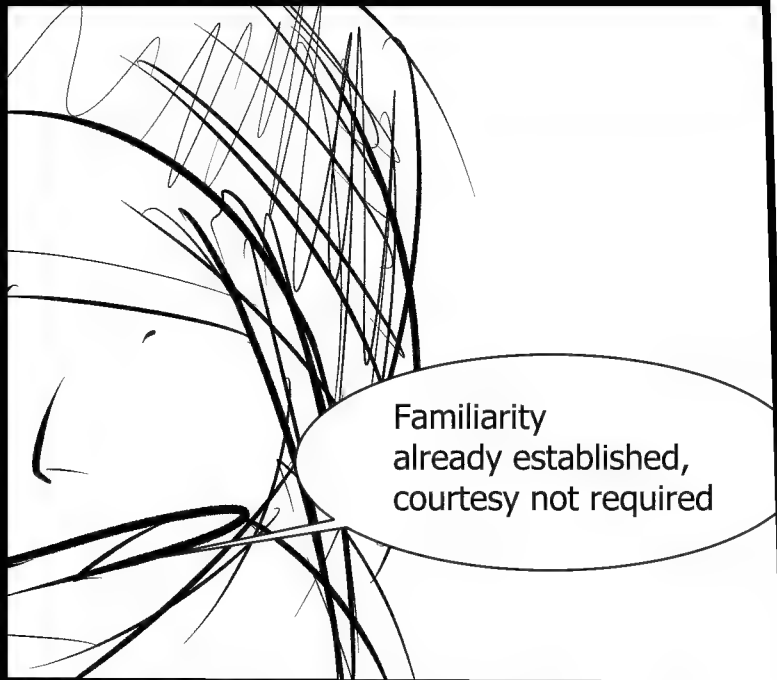

Puff

The culprit:

Beezabeth

Honey, don't
forget the "madame"
or "queen", if you
prefer that

Familiarity
already established,
courtesy not required

Oh dear,
I forgot
how you
act...

How am I supposed
to amuse myself
until the others
gather?

Fun is not
part of this
engagement,
the mission
is to decide
further strategic
action

Of course of course,
just because I have
some personality doesn't
mean that I'm stupid

Sitting suspiciously
on a large chair in
the corner is suspicious,
which makes me question
your intellectual faculties

Insulting me isn't the
smartest move either...

Keeping low
profile will lead
to success, the
optimal way to
survive is to stand
out less

No more
unnecessary
attention

Yeah about
that honey...

Is that even a witch?

What the heaven...

Please don't hurt me!

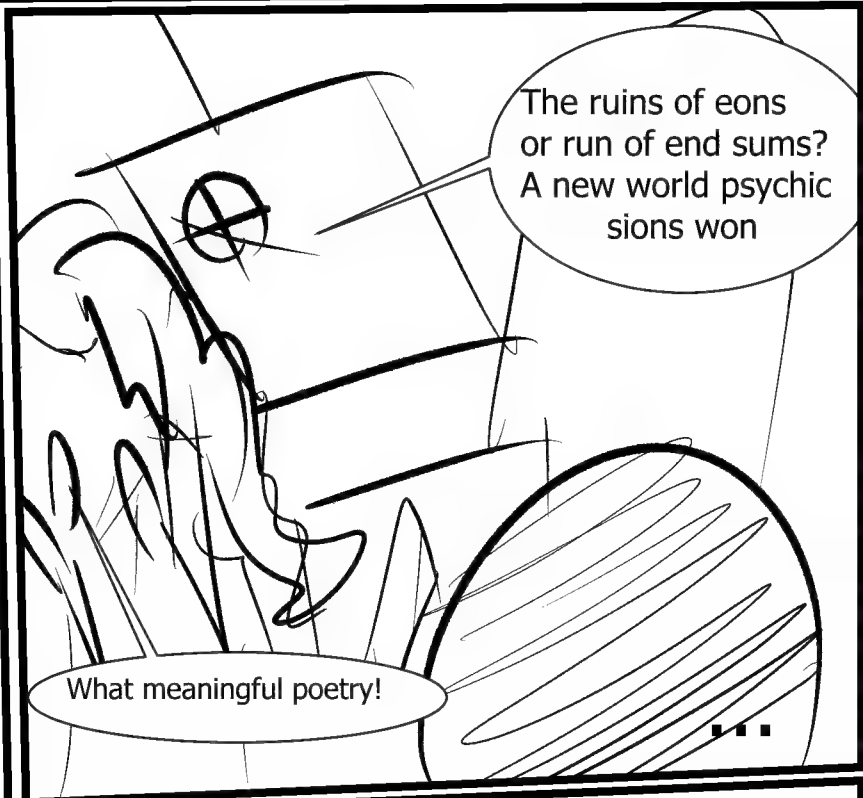

Proccesing...

I may don't have the slightest idea what this is supposed to be, but as a fellow artist I must low this outfit either way!

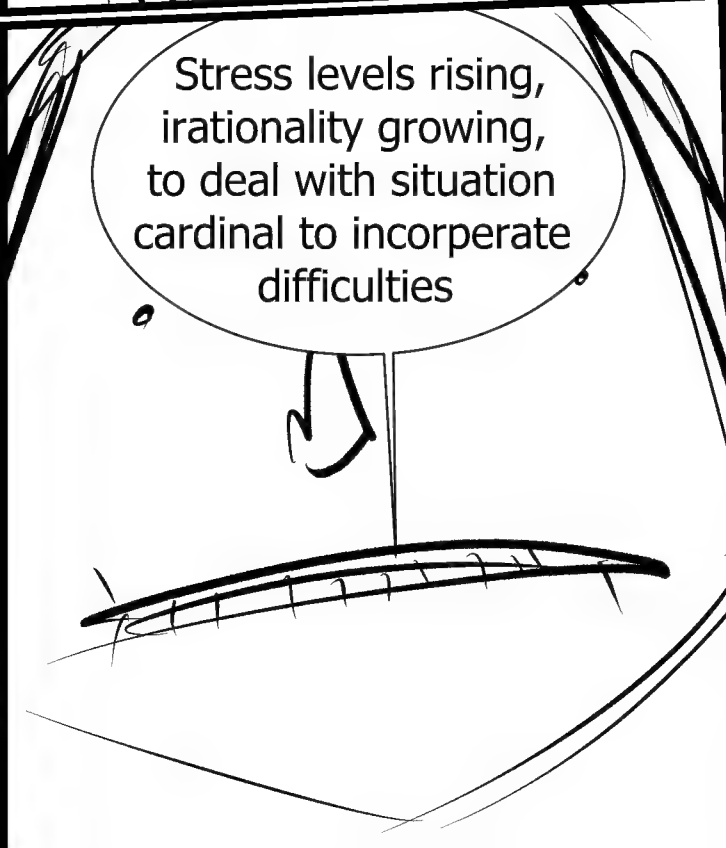

Hundreds, thousands of years hiding in the shadows, running operations, blending with the crowd and now...

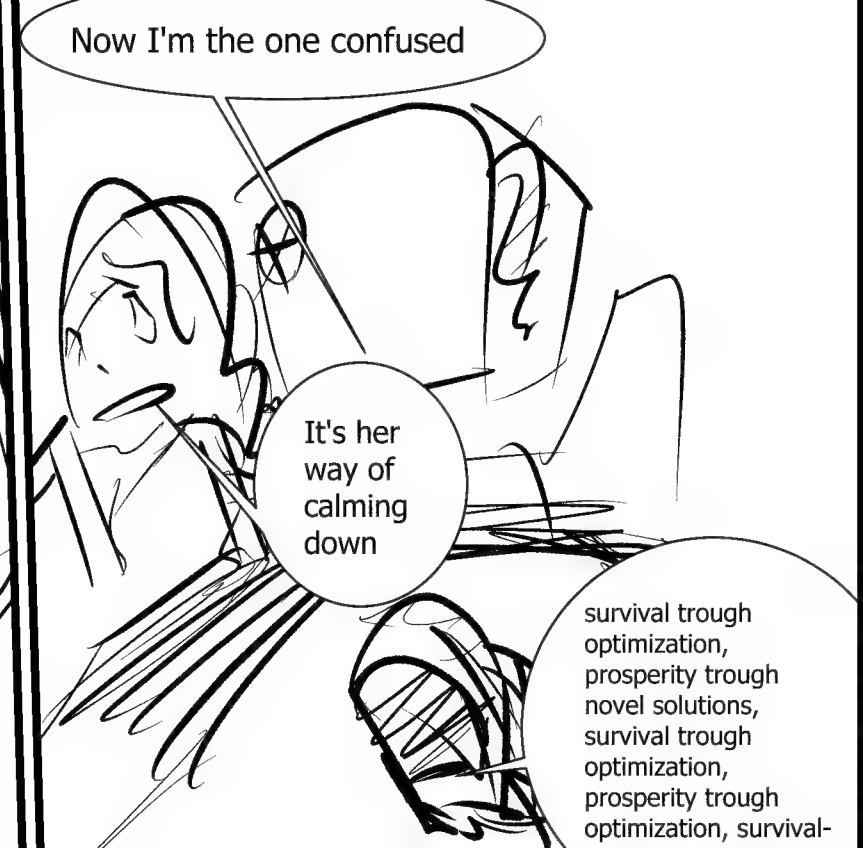

The ruins of eons or run of end sums? A new world psychic sions won

What meaningful poetry!

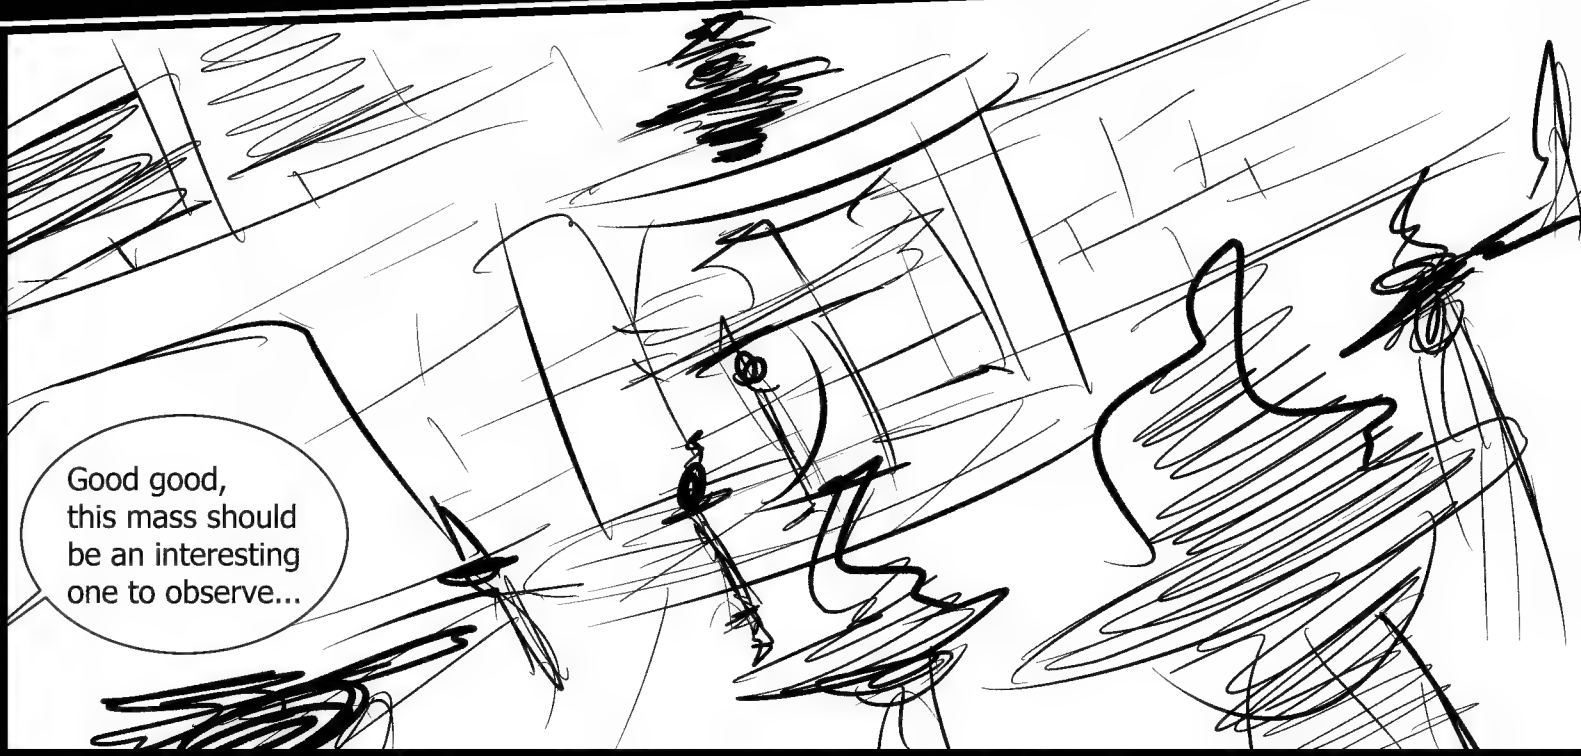

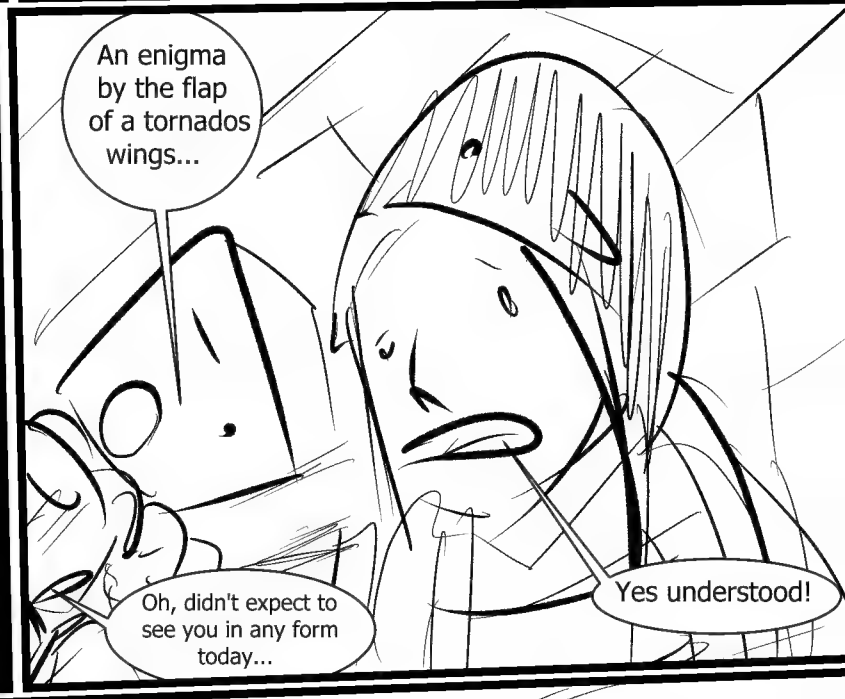

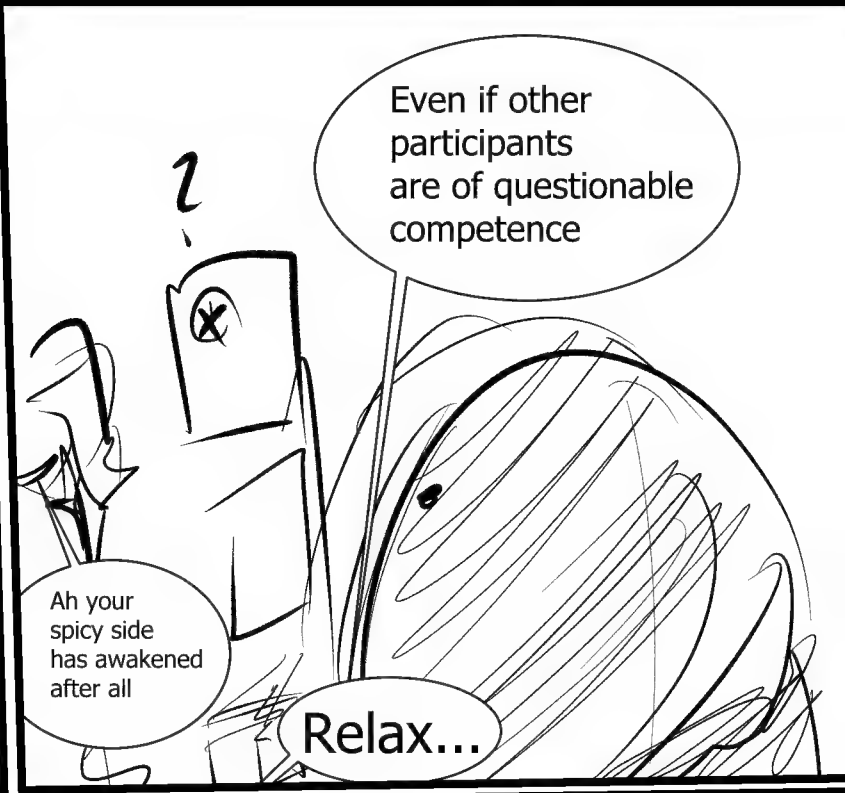

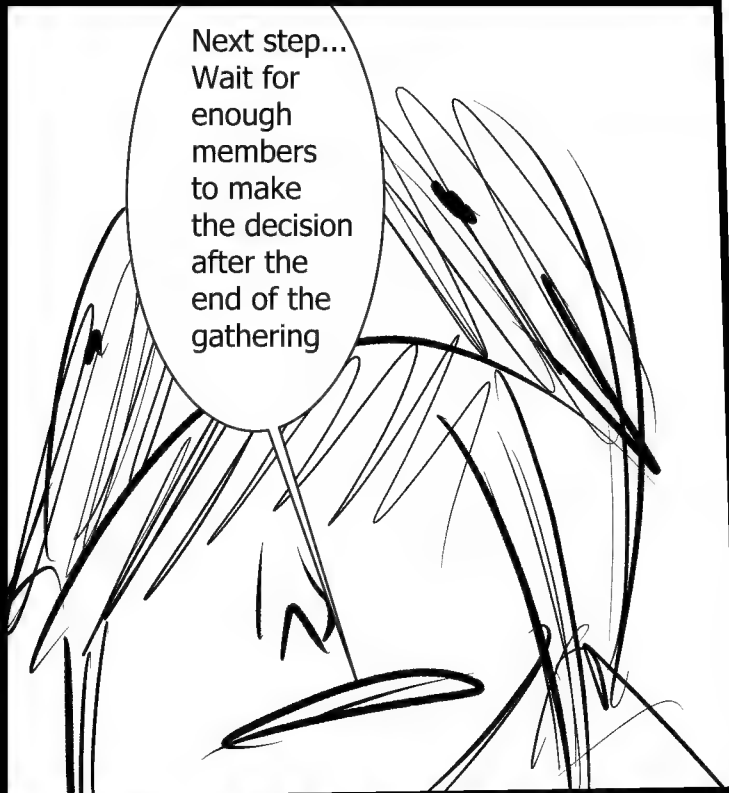

Stress levels rising, irrationality growing, to deal with situation cardinal to incorporate difficulties

Now I'm the one confused

It's her way of calming down

survival trough optimization, prosperity trough novel solutions, survival trough optimization, prosperity trough optimization, survival-

Eh ok,
first on the
agenda is
something
about some
old boring
mountain
thats like
important
or whatever,
I don't care

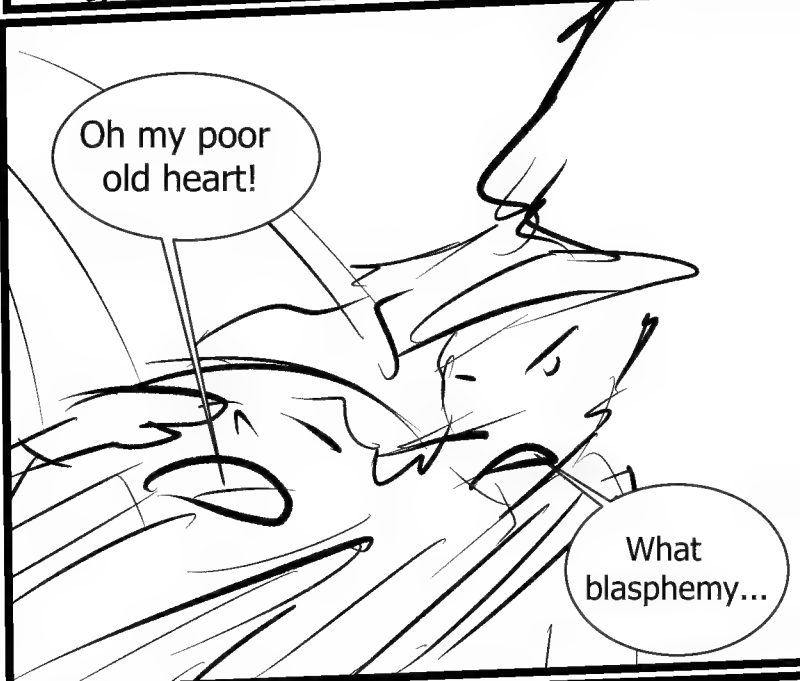

Those young
witches!

They don't even respect the
worshiping of the devil

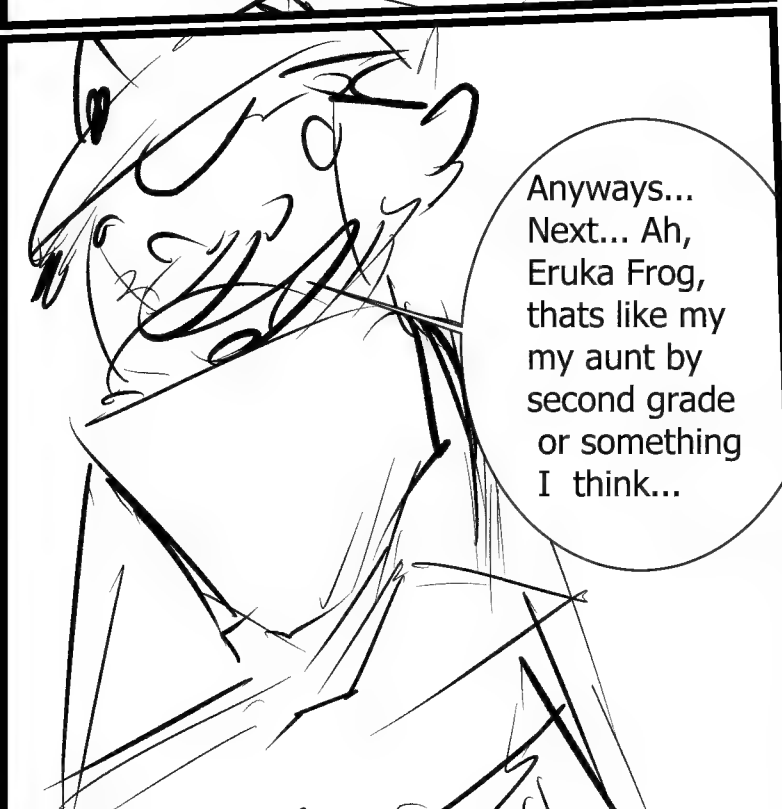

Eh satan is
like more of
an idea like
be yourself
you know and
don't care about
others you know?

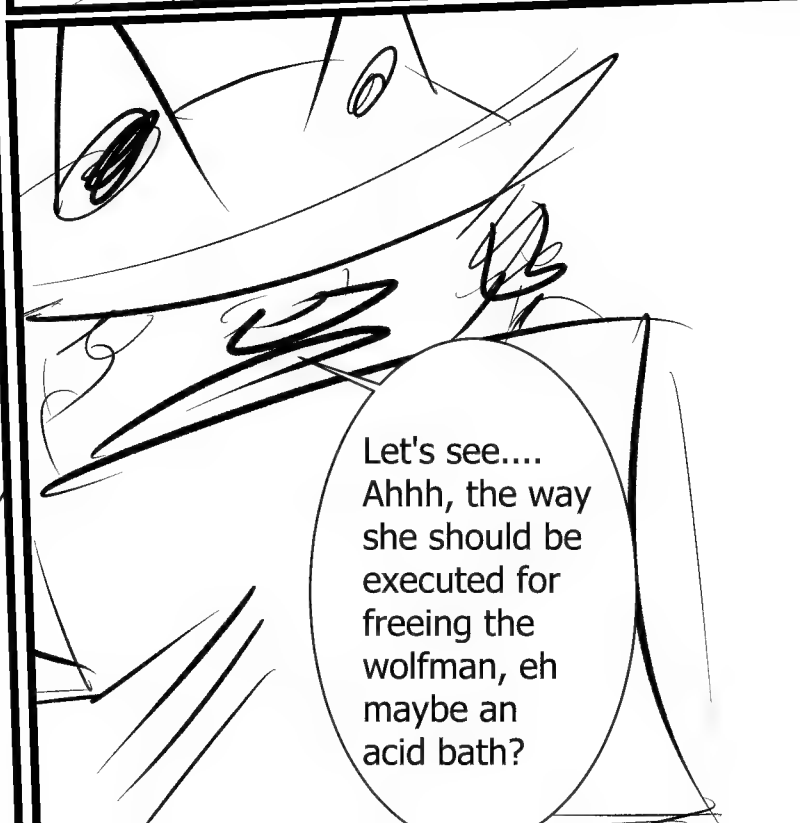

Oh my poor
old heart!

What
blasphemy...

Anyways...
Next... Ah,
Eruka Frog,
thats like my
my aunt by
second grade
or something
I think...

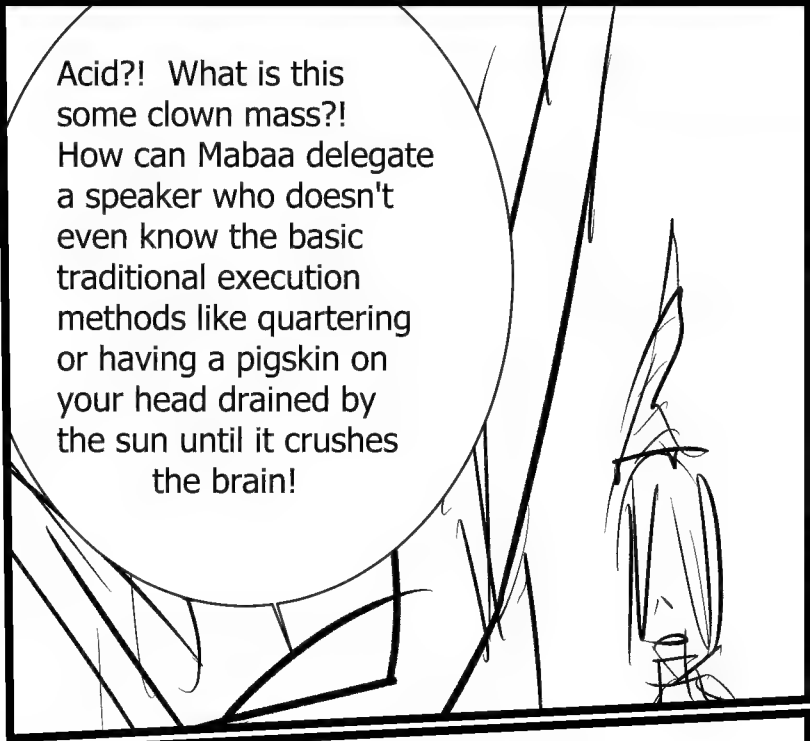

Let's see....
Ahhh, the way
she should be
executed for
freeing the
wolfman, eh
maybe an
acid bath?

This is an outrage!

Y-yes she shouldn't be punished so harsh-

Acid?! What is this some clown mass?! How can Mabaa delegate a speaker who doesn't even know the basic traditional execution methods like quartering or having a pigskin on your head drained by the sun until it crushes the brain!

Ew, old!

Leave that kid alone!

Youthful vigor, destruction of the old...

Isn't that what we witches live for?

But she disrespected the rites and order!

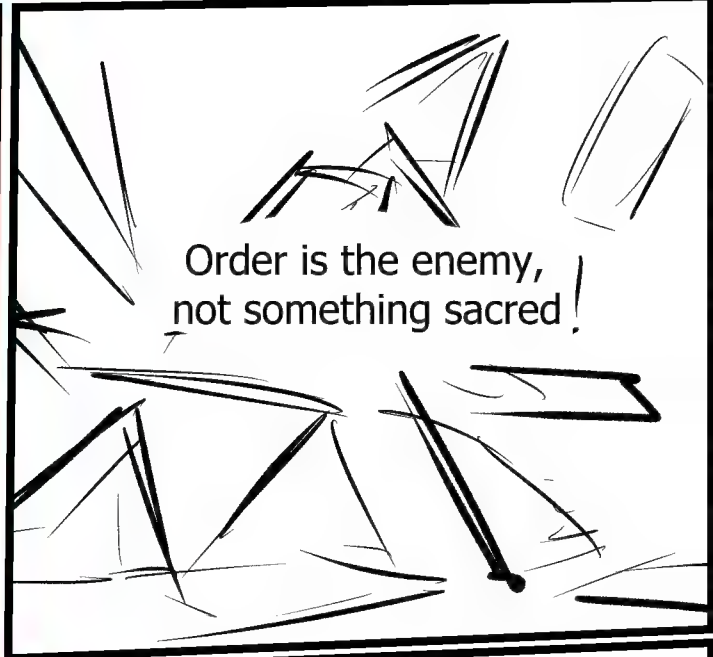

Can you hear
yourselves speak?

Talking about "traditions"...
Are you forgetting the point?

We witches are
supposed to destroy,
to let live flow in all
it's violent glory!

Order is the enemy,
not something sacred!

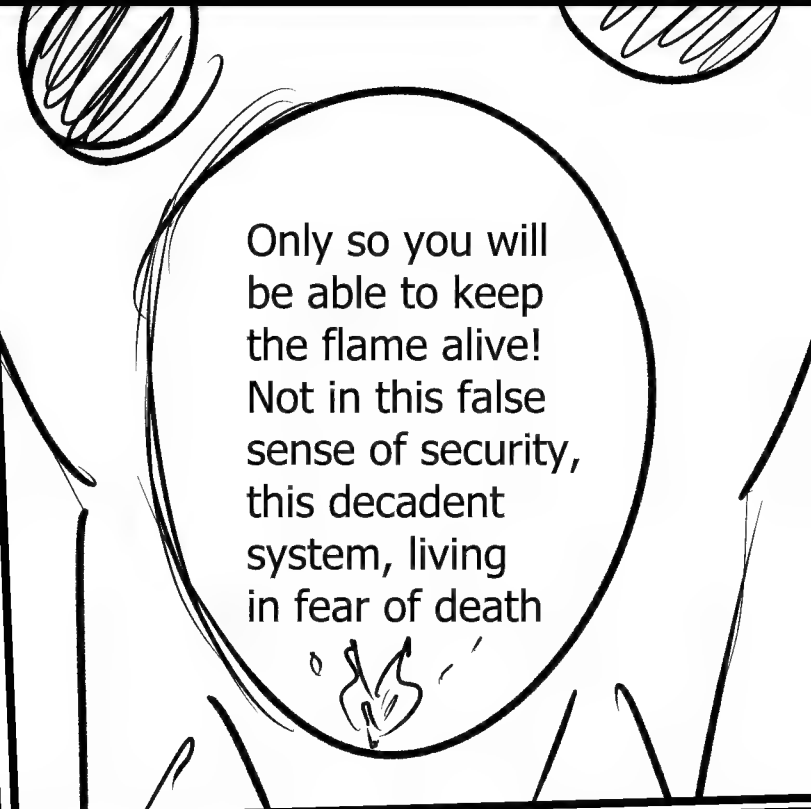

All of you, look at yourself!
You let yourself grow old
and fat!

She's one
to talk

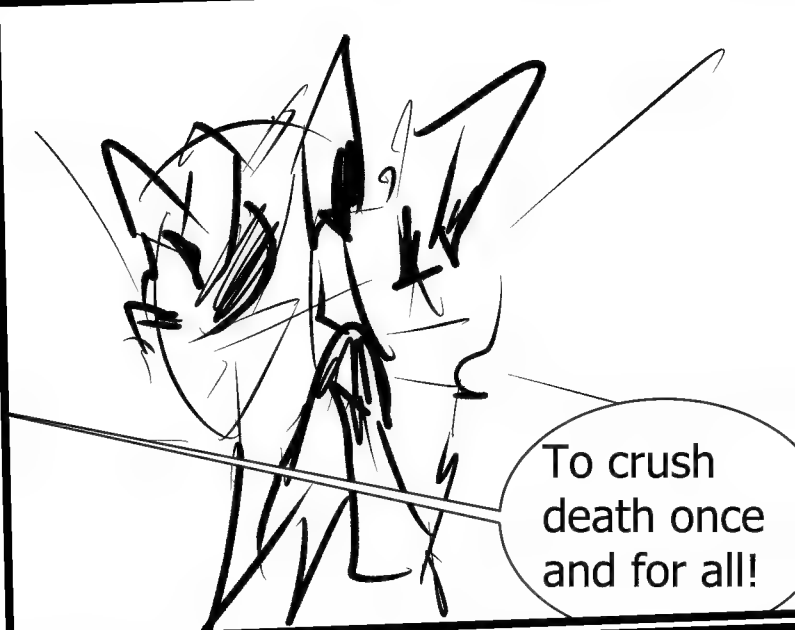

If you see any worth in the "right" way to be a witch, only by acting it out will you be able to keep it going!

Only so you will be able to keep the flame alive! Not in this false sense of security, this decadent system, living in fear of death

It's time for us to ascend!

To crush death once and for all!

I and my apprentice have gathered many troops and tools around us for this purpose!

With the help of just a part
of you my sisters, It will
be easier than predicting
a soap opera twist!

Who could be stupid
enough to be against
this plan?

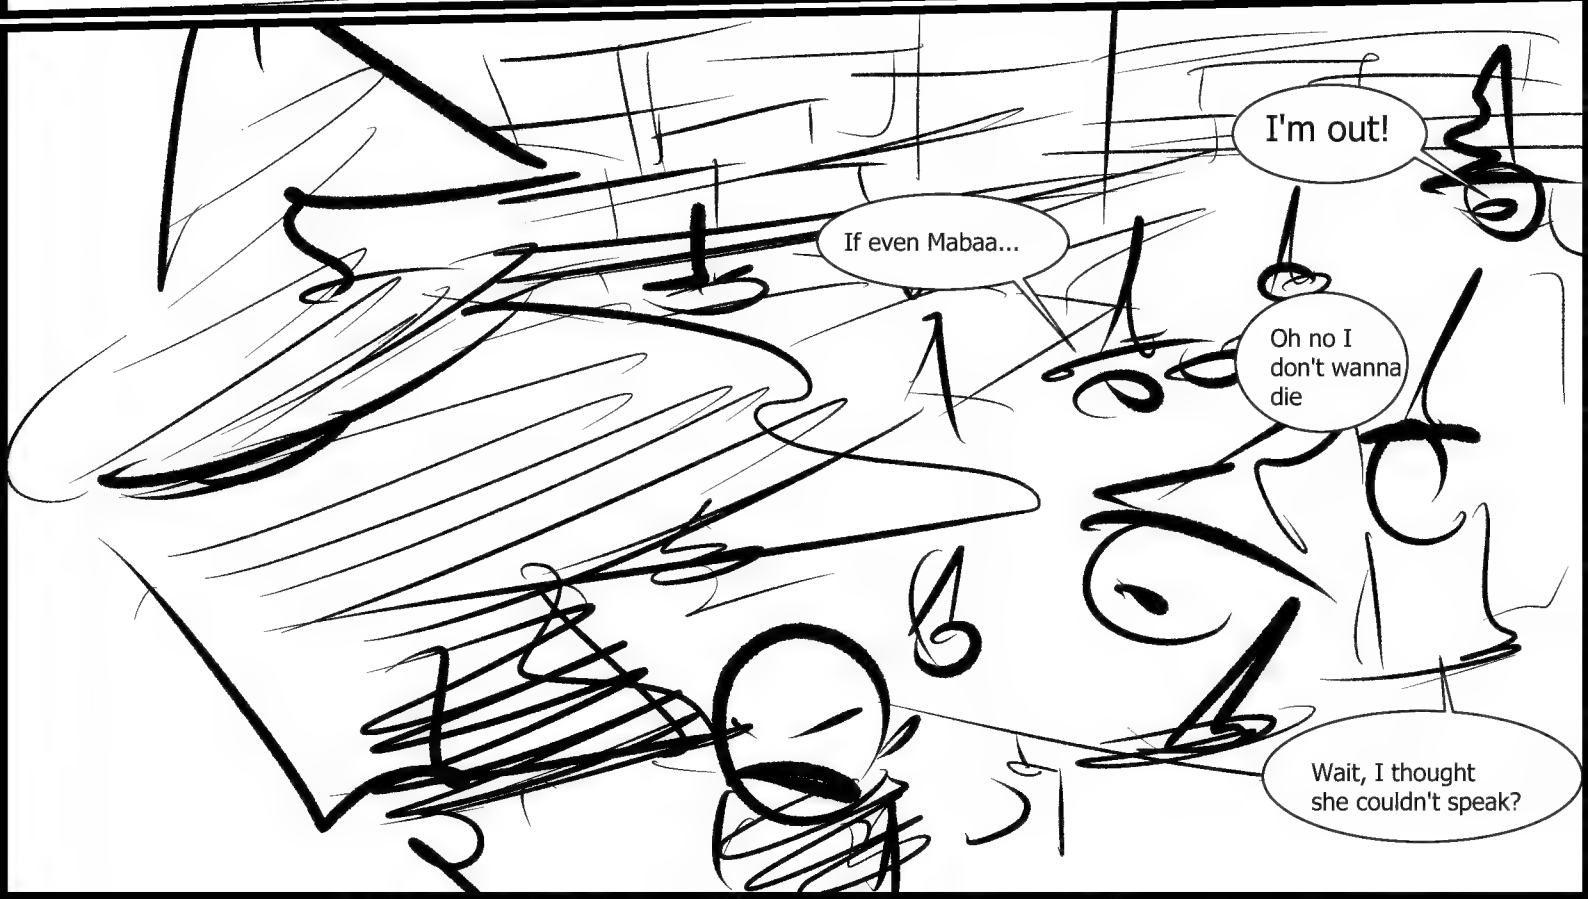

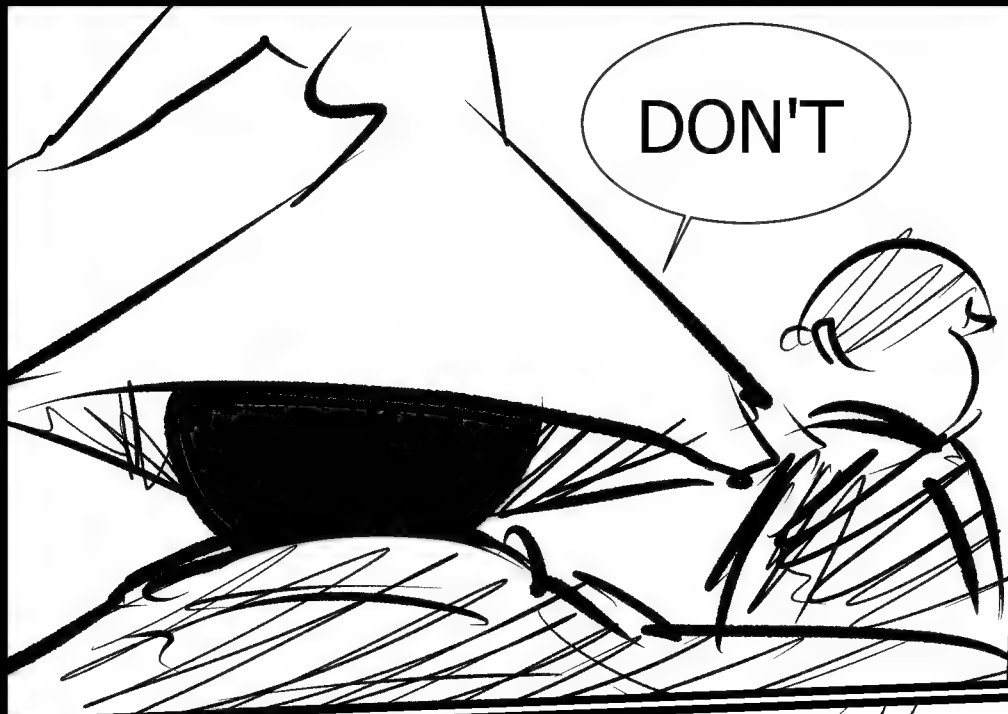

I

Who is
this ret-

$\frac{1}{2}$

Oh no-no
Ma-mabaa
s-she sh-she-

Relax, she
won't do
anything, I
know her
well enough...

She just has to
assert her
dominance
I guess...

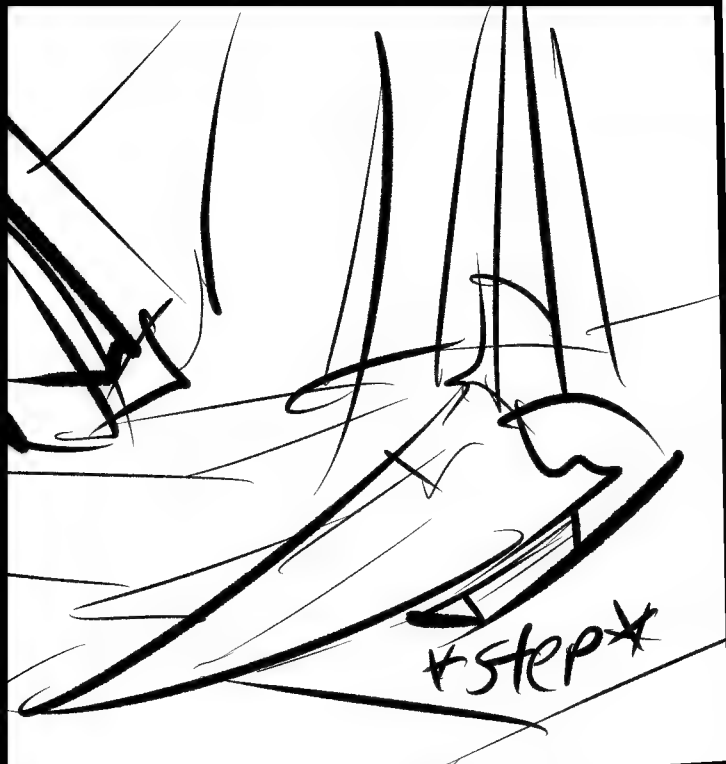

B-but now all
the planing,
everything,
all go-gone-

Hehe, seems
that some witches
still have some
crystal balls!

Another horrible
inuendo and I'm
out

step

Came here
afterall?

Making Mabaa speak...

Not everyone
can provoke that

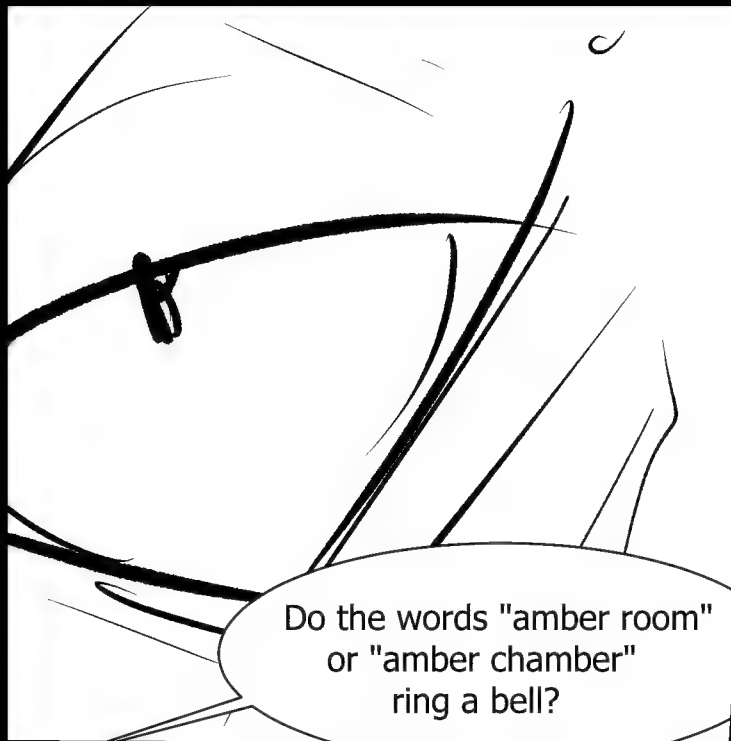

Heh heh-

But I'm still sceptical,
so you better finally
convince me of this
proposition

Well with only the most
powerful and cunning here,
it's time to reveal the heart
of this venture...

Do the words "amber room"
or "amber chamber"
ring a bell?

That thing lost
during some
little human
squabble? I
don't care
about gemstones
so-

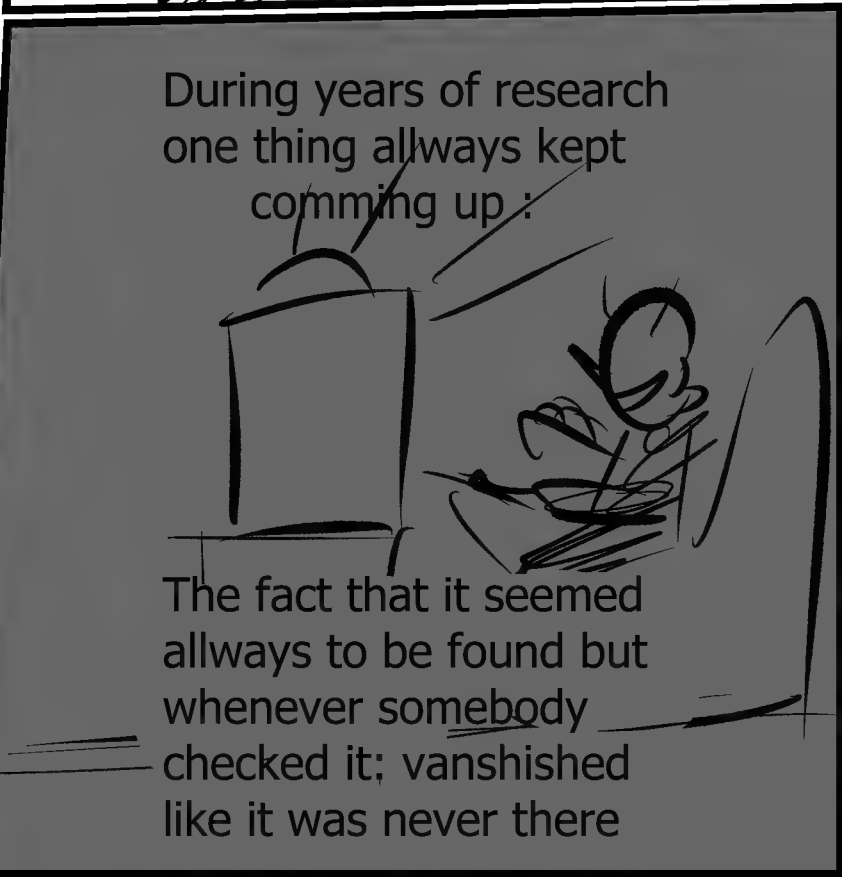

Oh but many do,
why do you think
it would have
disappeared in
the first place?

Eh it was
destroyed
during a
bombing
or something,
seems
simple
enough

Oh that would
be so so simple...
But the simple and
the true aren't
always the most
faithfull lovers...

During years of research
one thing allways kept
comming up :

The fact that it seemed
allways to be found but
whenever somebody
checked it; vanshished
like it was never there

A theory started to develop in my mind...

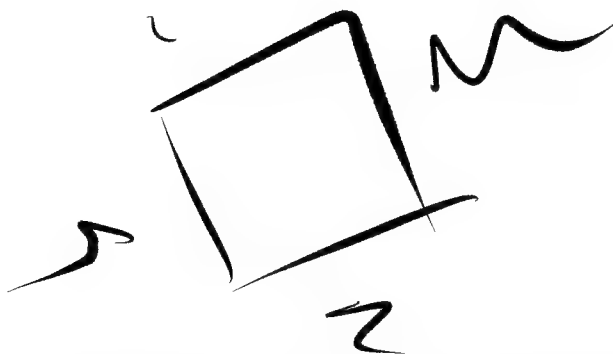

The real worth
of the chamber...

Maybe it wasn't
the gems but
something
else...

Maybe it wasn't allways disapearing
because of it's worth but maybe
it's worth was the DISAPEARING

A teleporting demon tool

A way to move freely trough space
without relaying on Mabaa's magic

Whhhhhat!!!

Tch just
as believable
as you not
weighing over
200 pounds

Oh it is real , it is hehe

And Zalte
actually found
it on her own!

Bu-but I di-did-

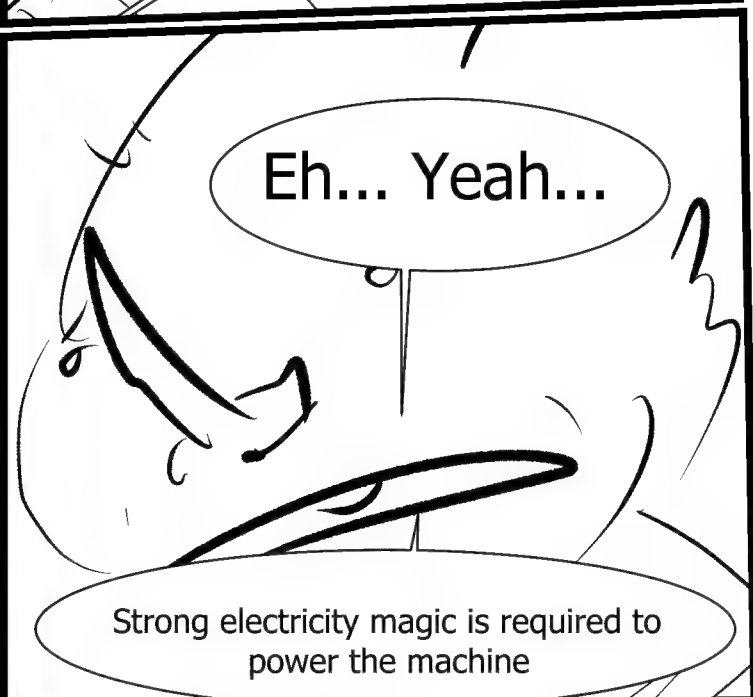

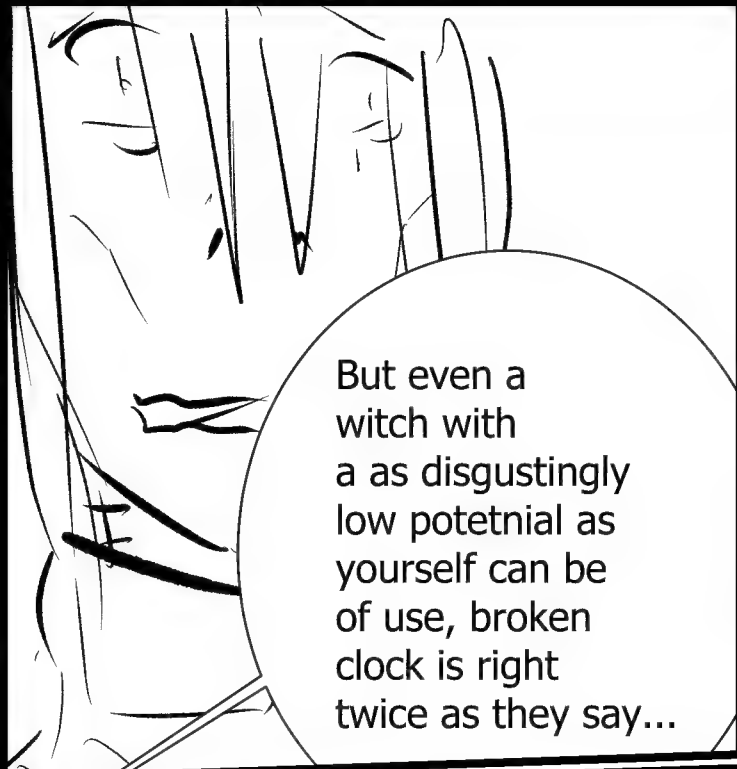

Hhehe,
allways
so humble!

Her?
Ha!

Not convinced, maybe
seeing it with your own
eyes will change your
mind?

If this is not some
elaborate hoax, I'll
have to admit, you
were not worthless
for once Zalte

I allways thought
Medusa was lucky
for getting that boypspawn,
because she atleast
knew that there was
nothing to expect or
get disappointed by...

Let's just say that
I'll participate but
on my own terms

So the nefarious proposal was shared....

And as the dawn was
threatening the night....

K-kurma?

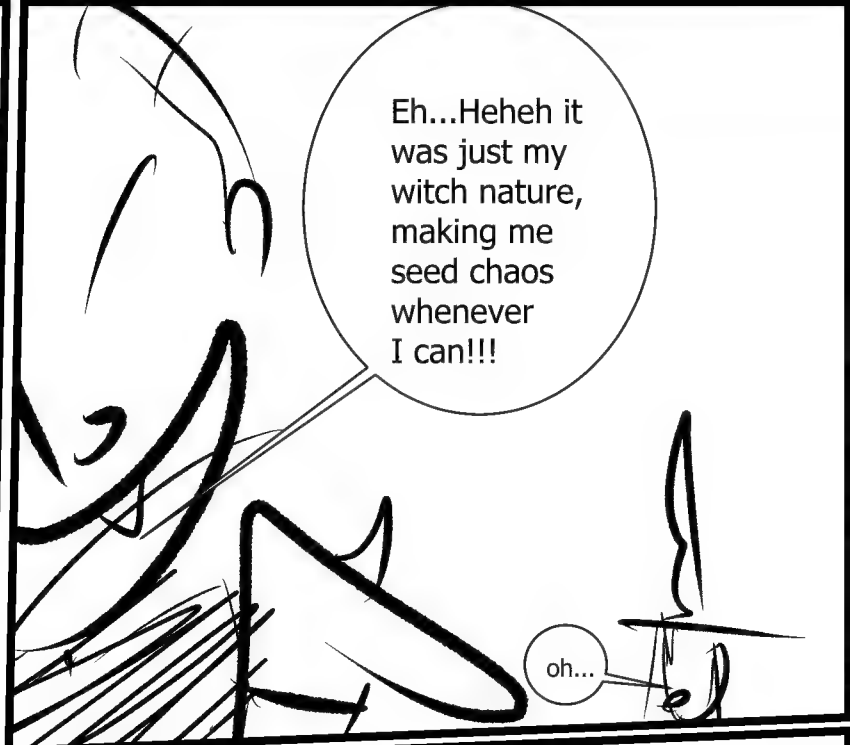

Hmm, what
is it?

Eh wh-why did you
lie that I f-f-ound it...
That I found the room...
Was it-

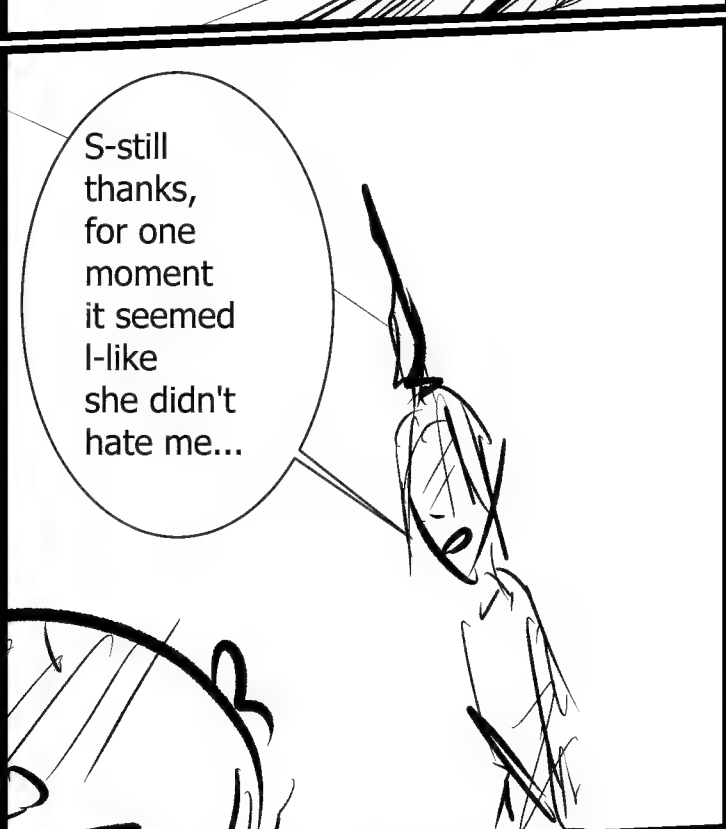

K-Kurma?

Eh...Heheh it was just my witch nature, making me seed chaos whenever I can!!!

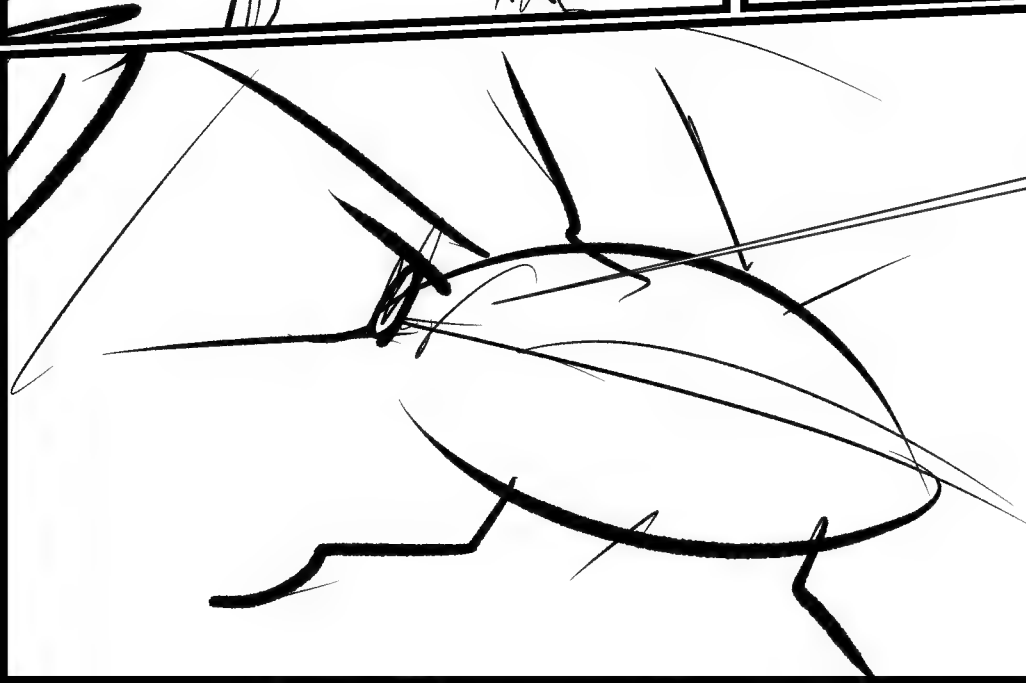

oh...

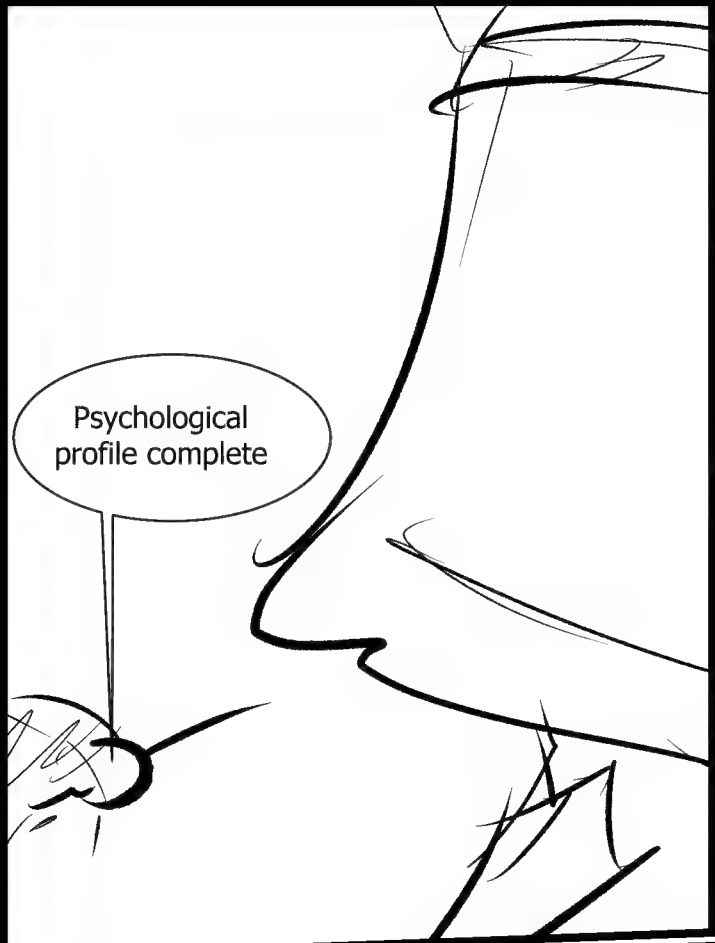

S-still thanks, for one moment it seemed I-like she didn't hate me...

Zalte, after this not only will she not hate you anymore but she will see how you became a witch that can make anybody proud...

Sentimentality, parental substitution, desperation

Psychological
profile complete

Got all you
need from
that ugly
hag? Maybe
she would
be usefull
as decoration
for the haunted
house exhibition...

Kitch in
subhuman
form will
in desperation
foil

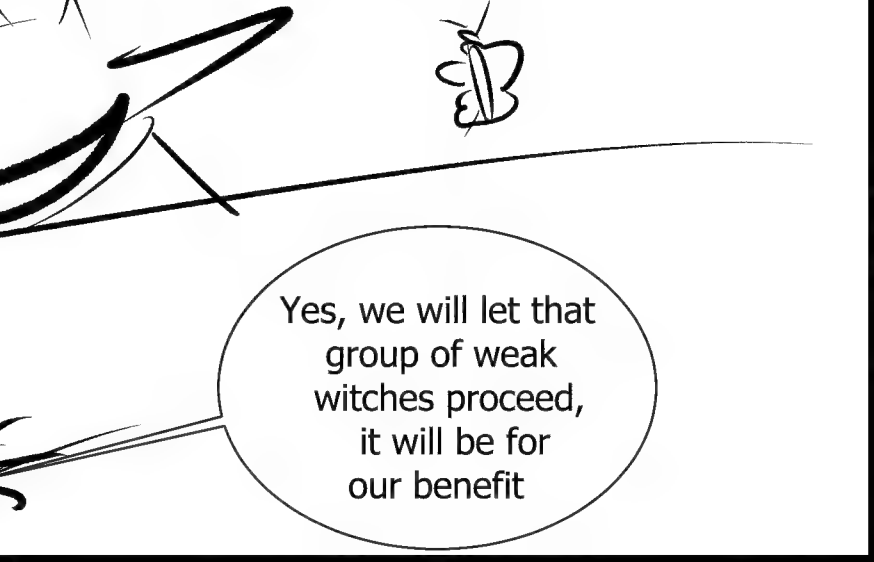

Is that a haiku?

Everything
clear...

Oh I guess
we already
decided then...

Yes, we will let that
group of weak
witches proceed,
it will be for
our benefit

As the
butterfly
flaps
her
wings...

Events that
could have
taken, will
stand in
nothings
place, like
a vase with
no face

Crematorium or
change, avant
garde to a new
base

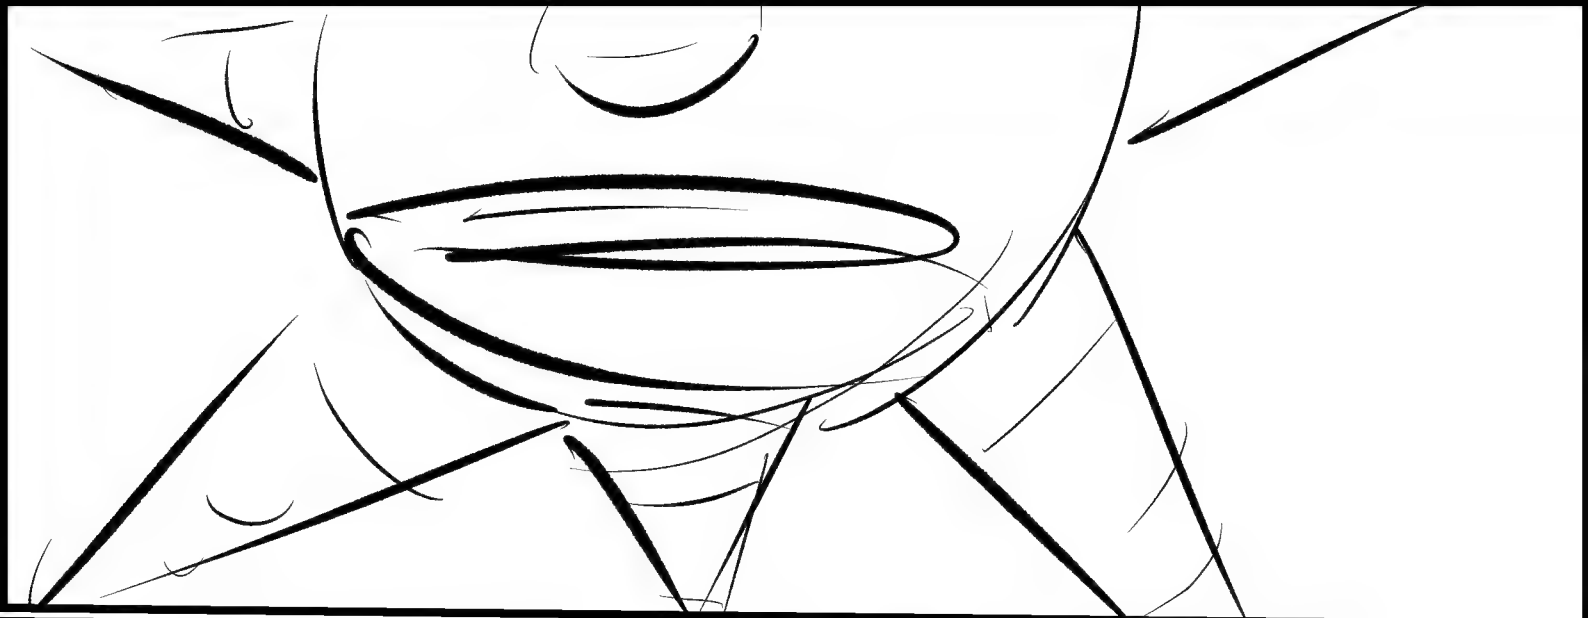

Bravo, it was so good,
I nearly thought I could
comprehend it at moments!

What totally
meaningful
prose!

Wow, what
an infinte jest,
an endless
pleasure!

Oh, some uninitiated humans...

I can't make sculptures
out of them now, thanks!

Blood has been spilled...

Wow, I thought reading the sun like that was made up by movies

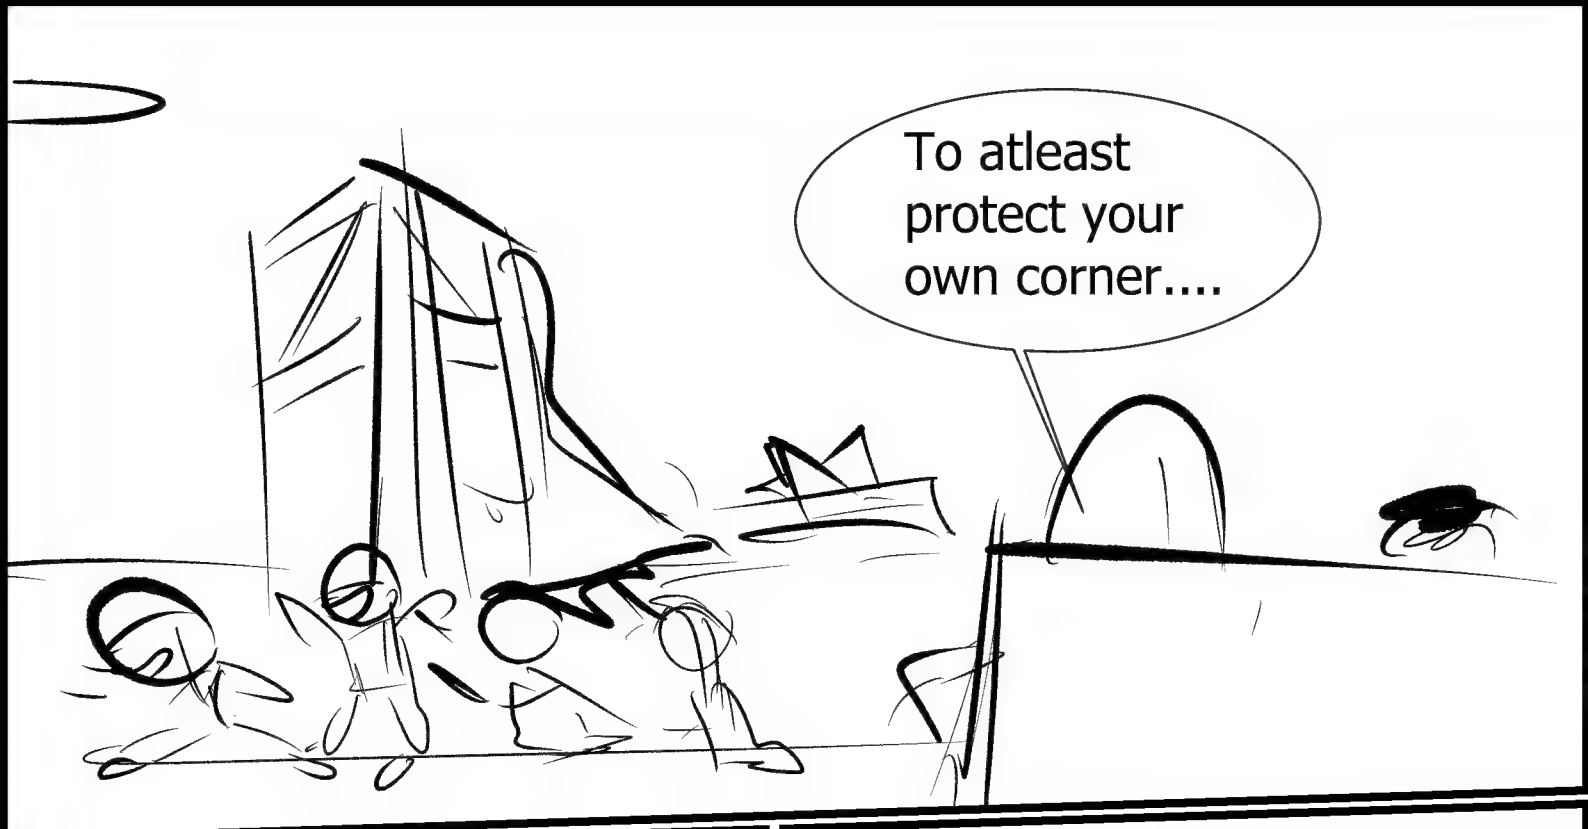

Can you teach me that too?

Teach what?
Staring at the sky?

In some corner of the world there will always be violence, no matter what, you don't need to read the sun for that

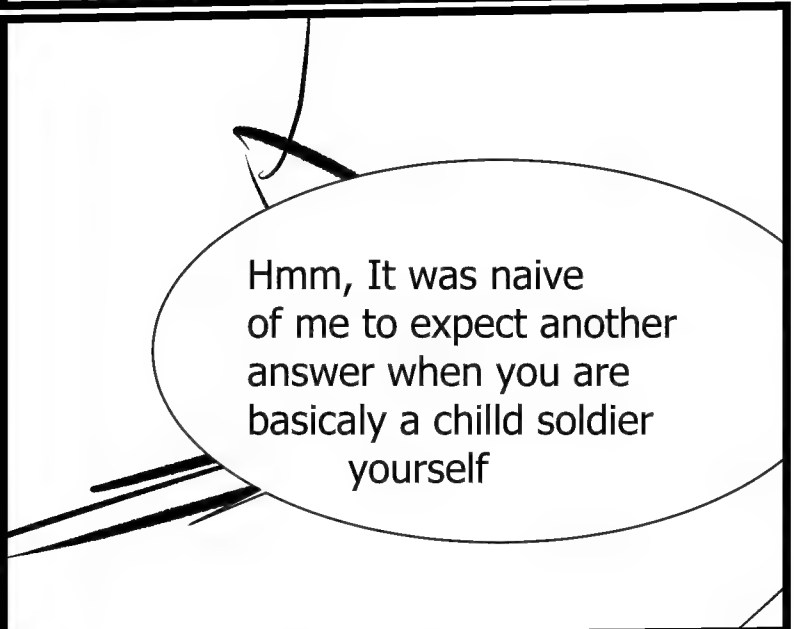

A black and white comic panel showing two characters. On the left, a character with dark hair and a headband looks towards the right. On the right, a character with light hair is seen from the side, looking back. The background is simple with some vertical lines.

A life of killing or be killed

Does that seem right to you?

A black and white comic panel showing a close-up of a character's face. The character has dark hair and is looking slightly to the side with a serious expression. The drawing style is sketchy with many lines.

Well I also joined the DWMA when I wasn't much older than them, So what?

A black and white comic panel showing a character from the chest up. The character has dark hair and is looking down. The background is simple with some vertical lines.

Hmm, It was naive of me to expect another answer when you are basically a child soldier yourself

A black and white comic panel showing a character from the chest up. The character has dark hair and is looking towards the left. The background is simple with some vertical lines.

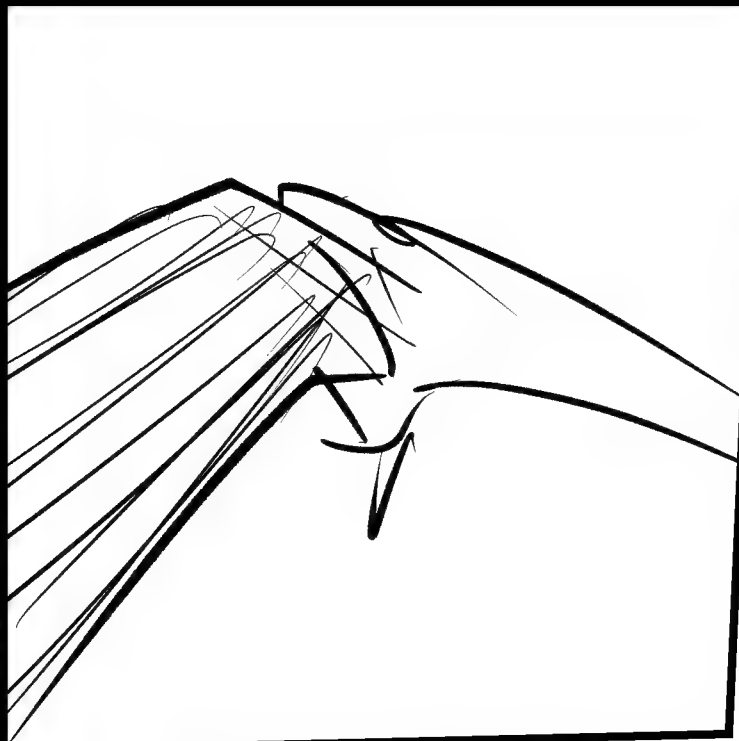

With all due respect, you don't know what they went through, the DWMA-

A black and white comic panel showing a character from the chest up. The character has dark hair and is looking towards the right. The background is simple with some vertical lines.

No need to lose your temper, I understand, I came here after all for the safety of Angela...

A black and white comic panel showing a character from the chest up. The character has dark hair and is looking towards the left. The background is simple with some vertical lines.

Ironically, the place that hunts her kind is the only place left to go...

Hey, my hat!

Why...

Why are you wearing it...
Only witches... They hurt
me!

But...I-I-

But even a safe place
isn't allways perfect...

Come Angela,
let's better go home

Y-yeah...

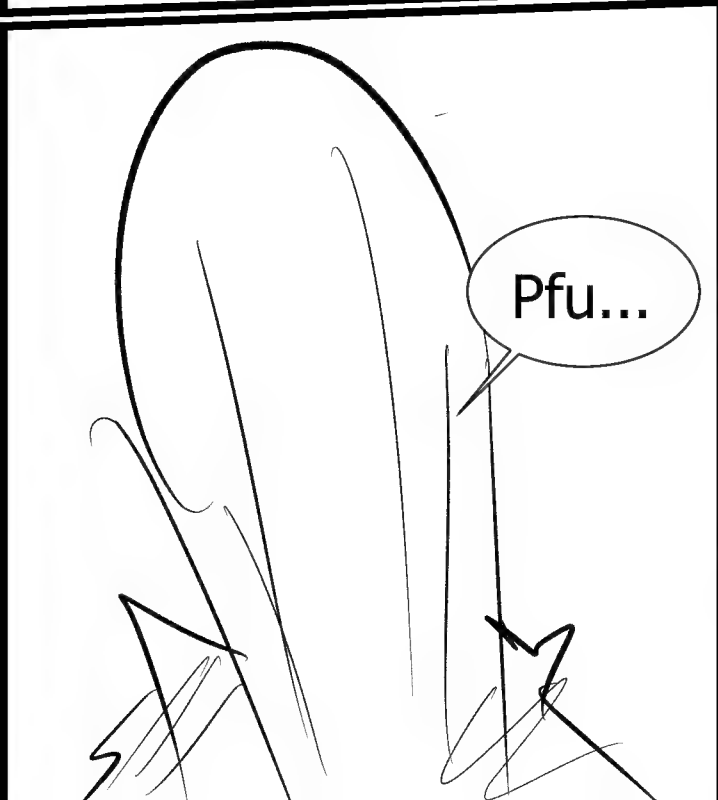

Mi-Mifune...

Hmm,
what is
it?

Are witches bad?

A-Am I b-

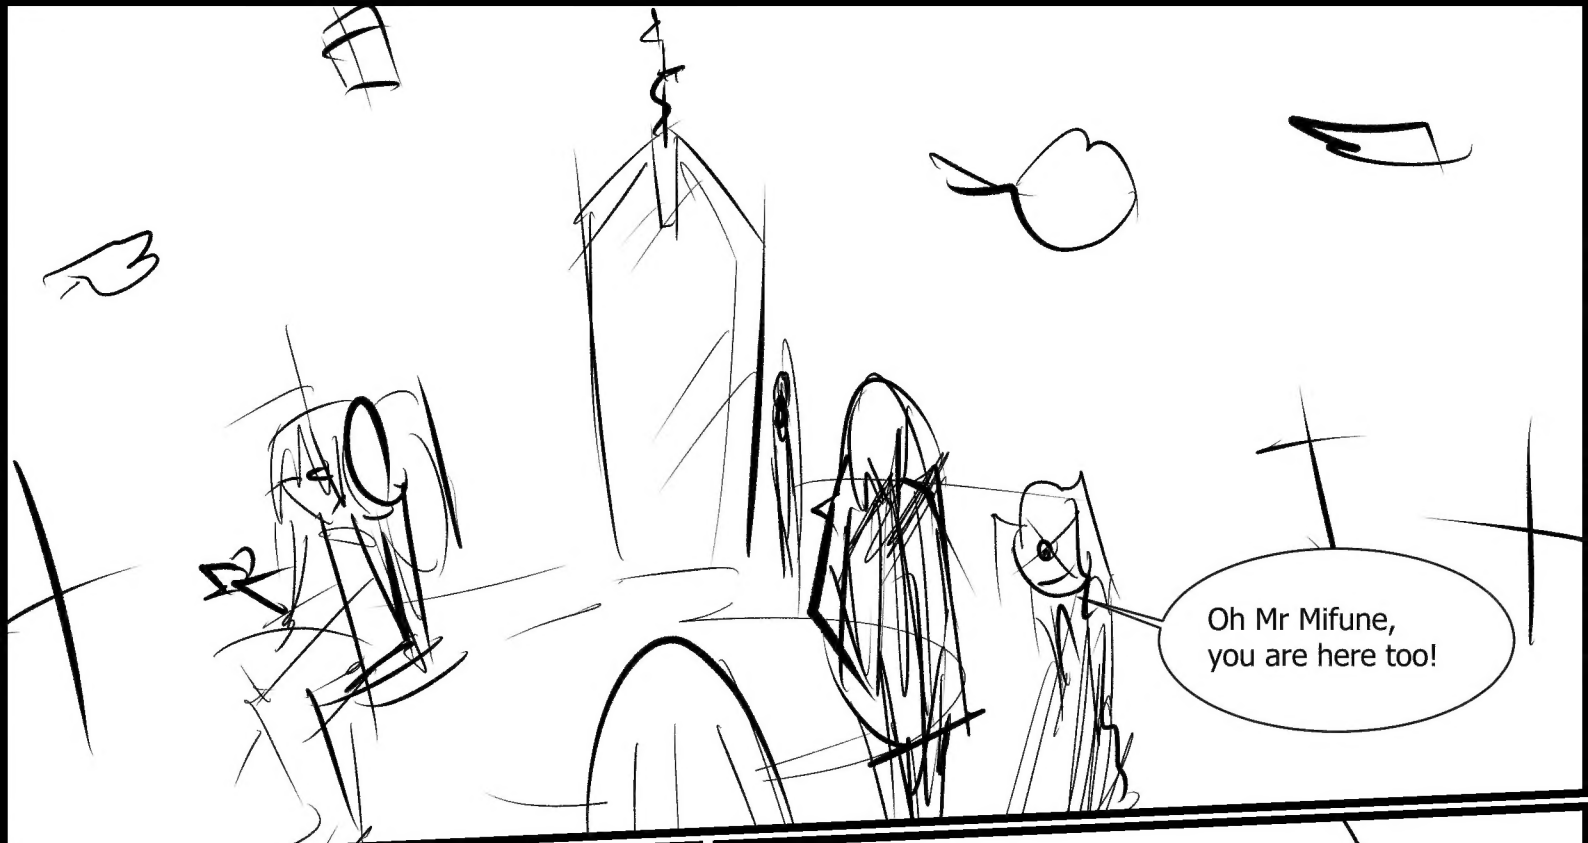

Pfu...

I have done many things in my past that
I'm not proud of...

So if there is one thing I know that "bad" is something
you do, not something you are

Oh Mr Mifune,
you are here too!

The reaper
not here
today again?

Eh he
is sick
today,
yes!

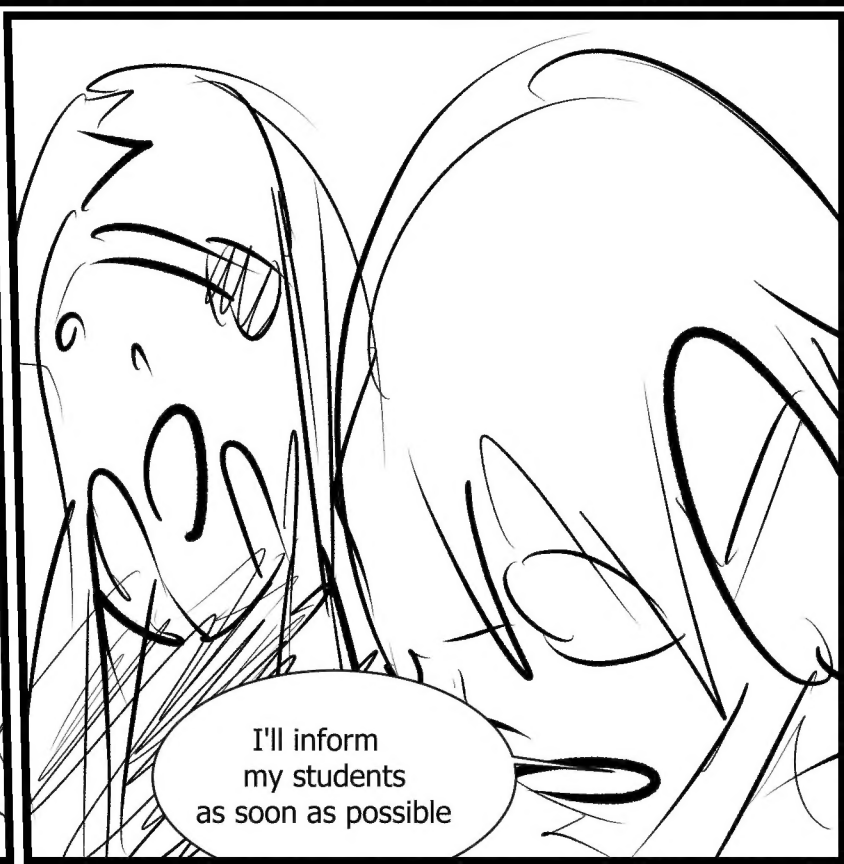

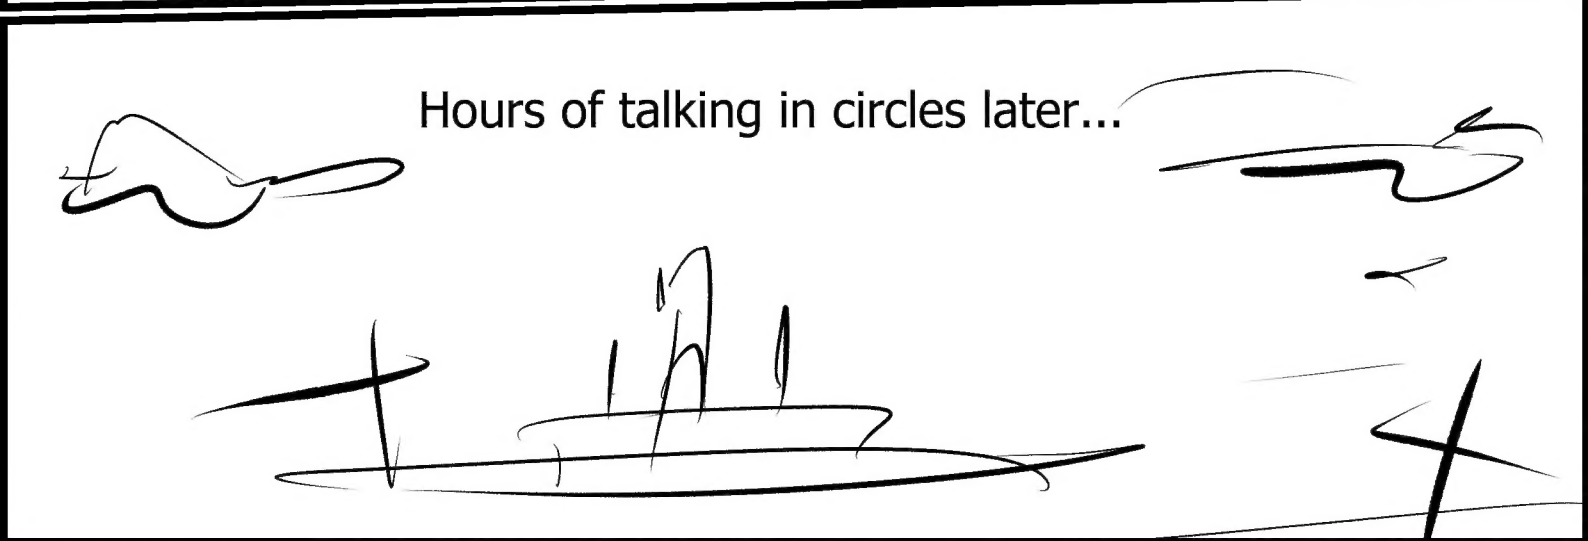

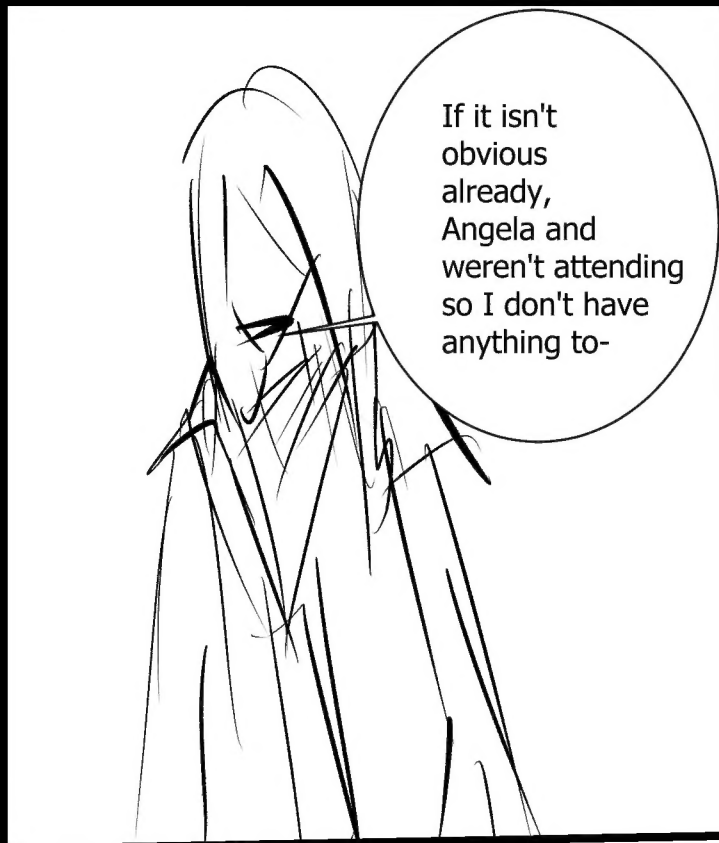

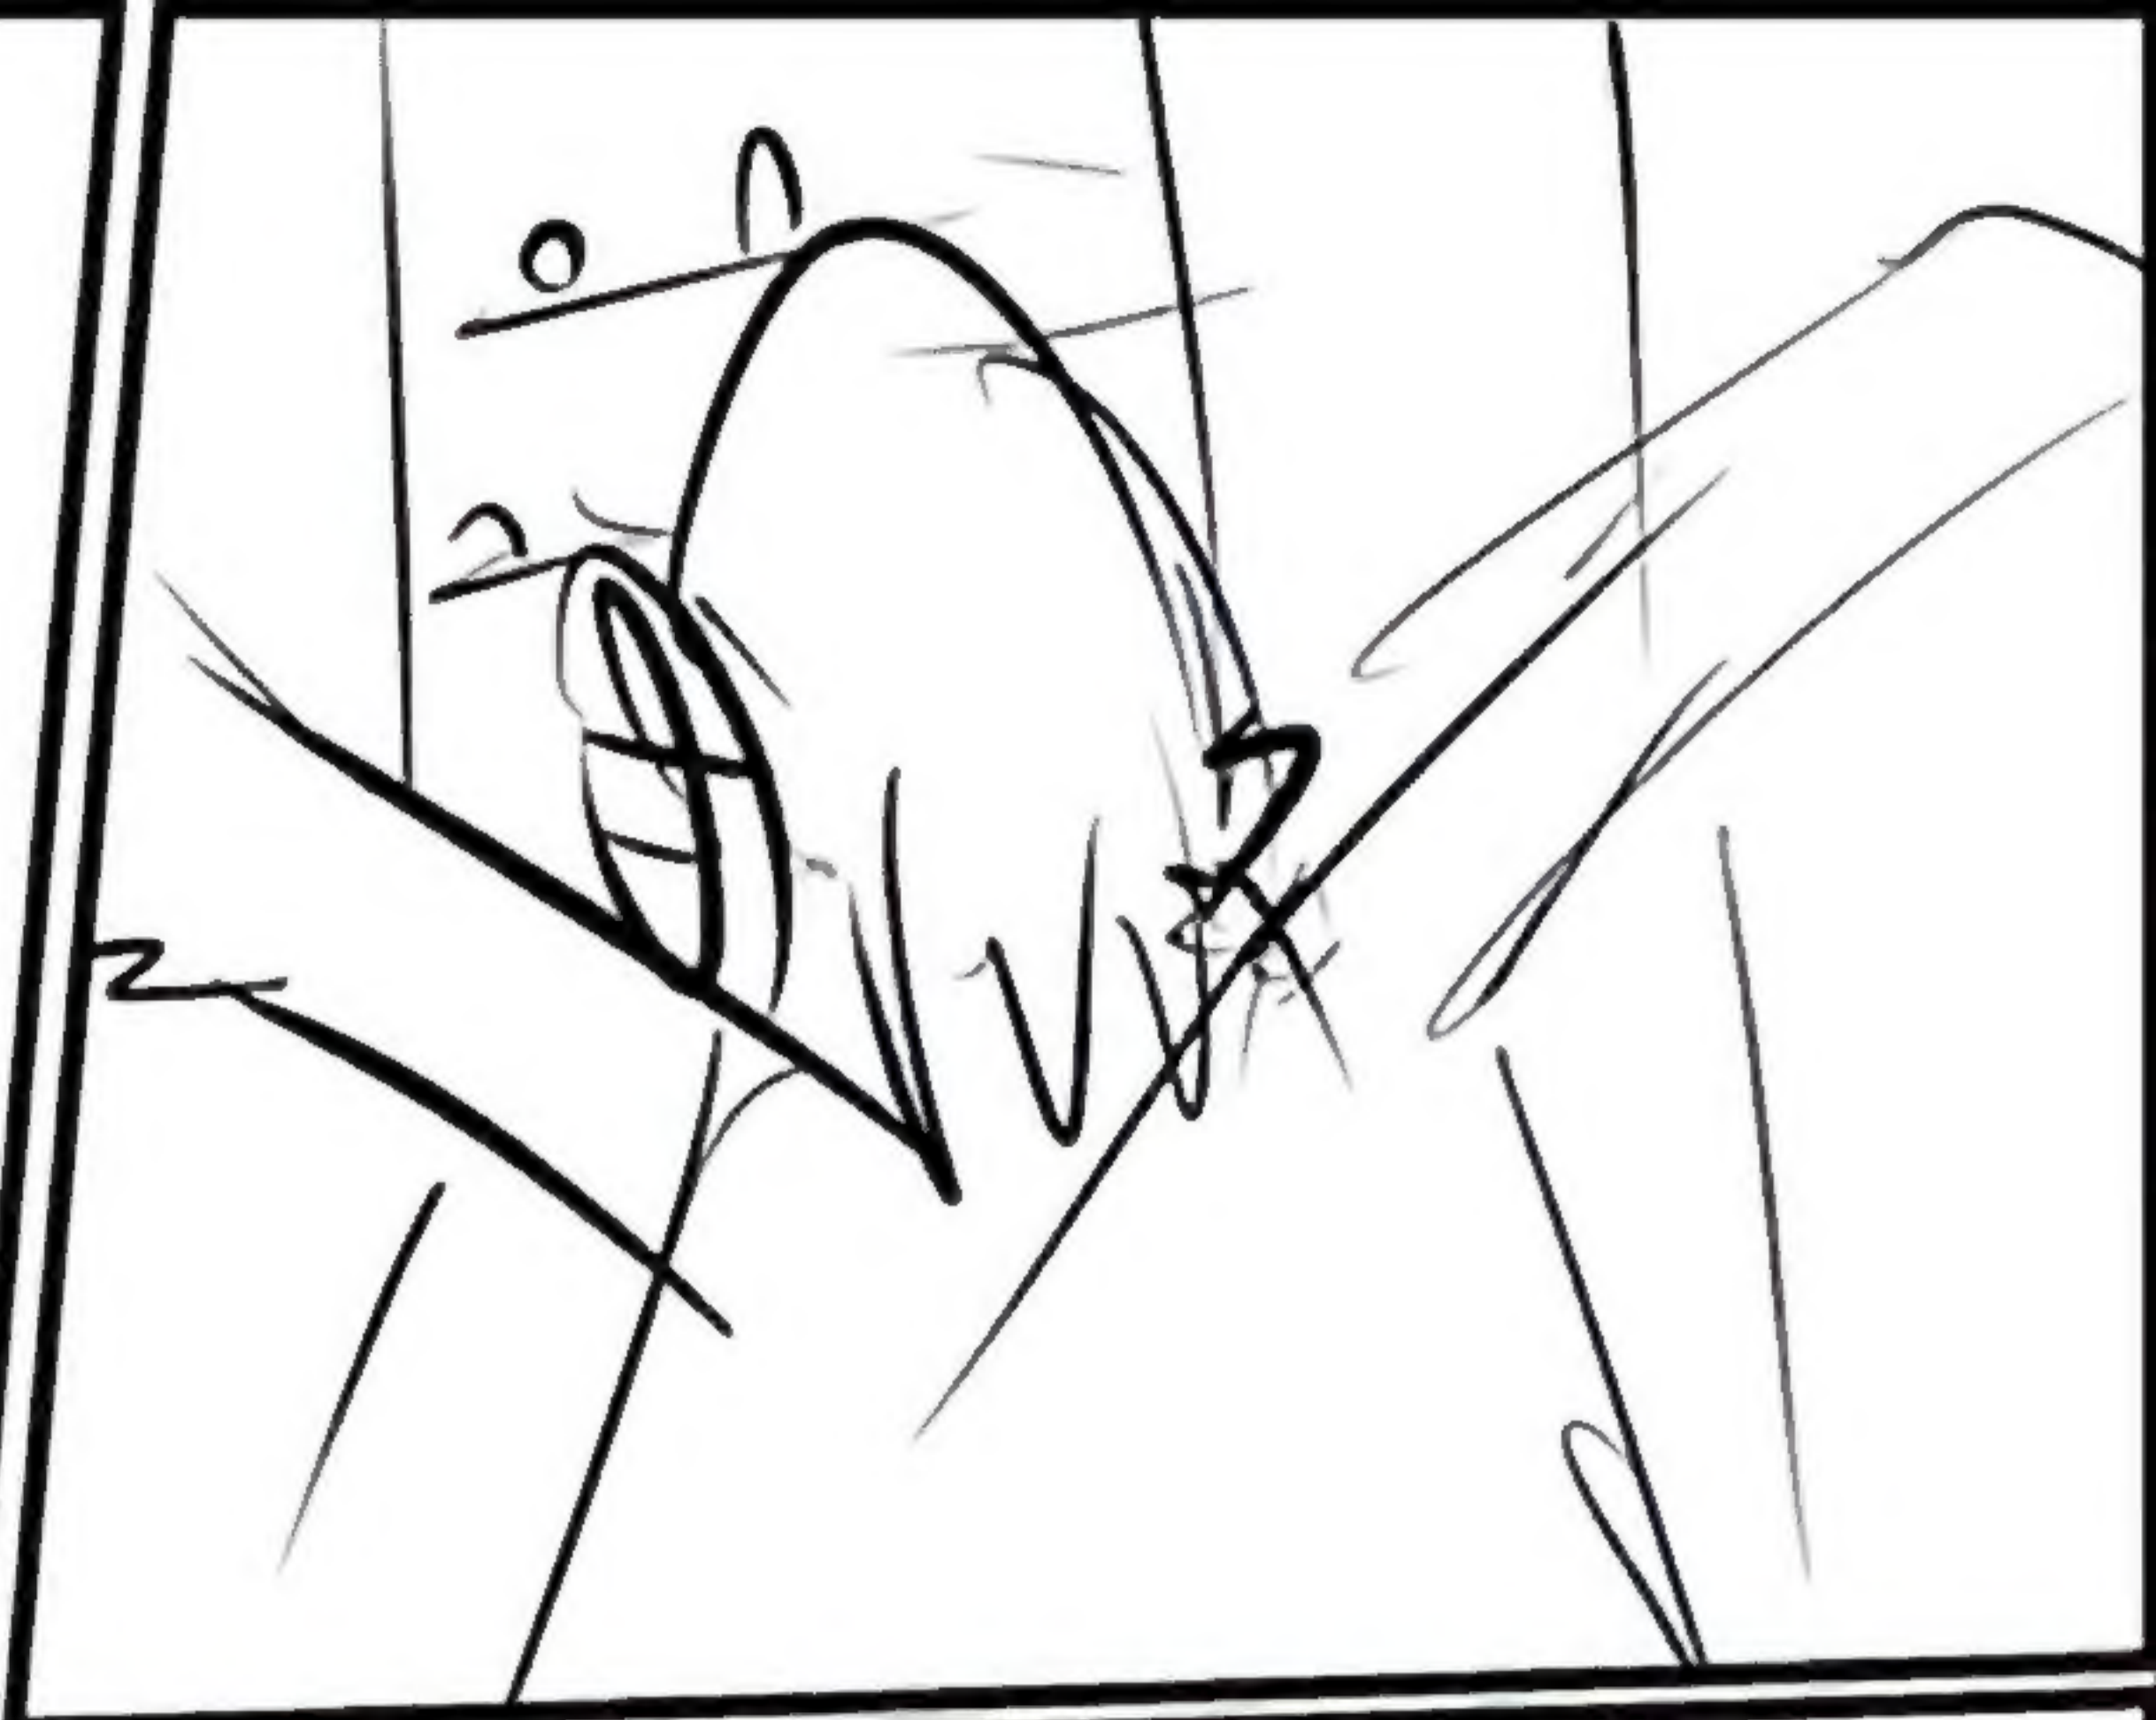

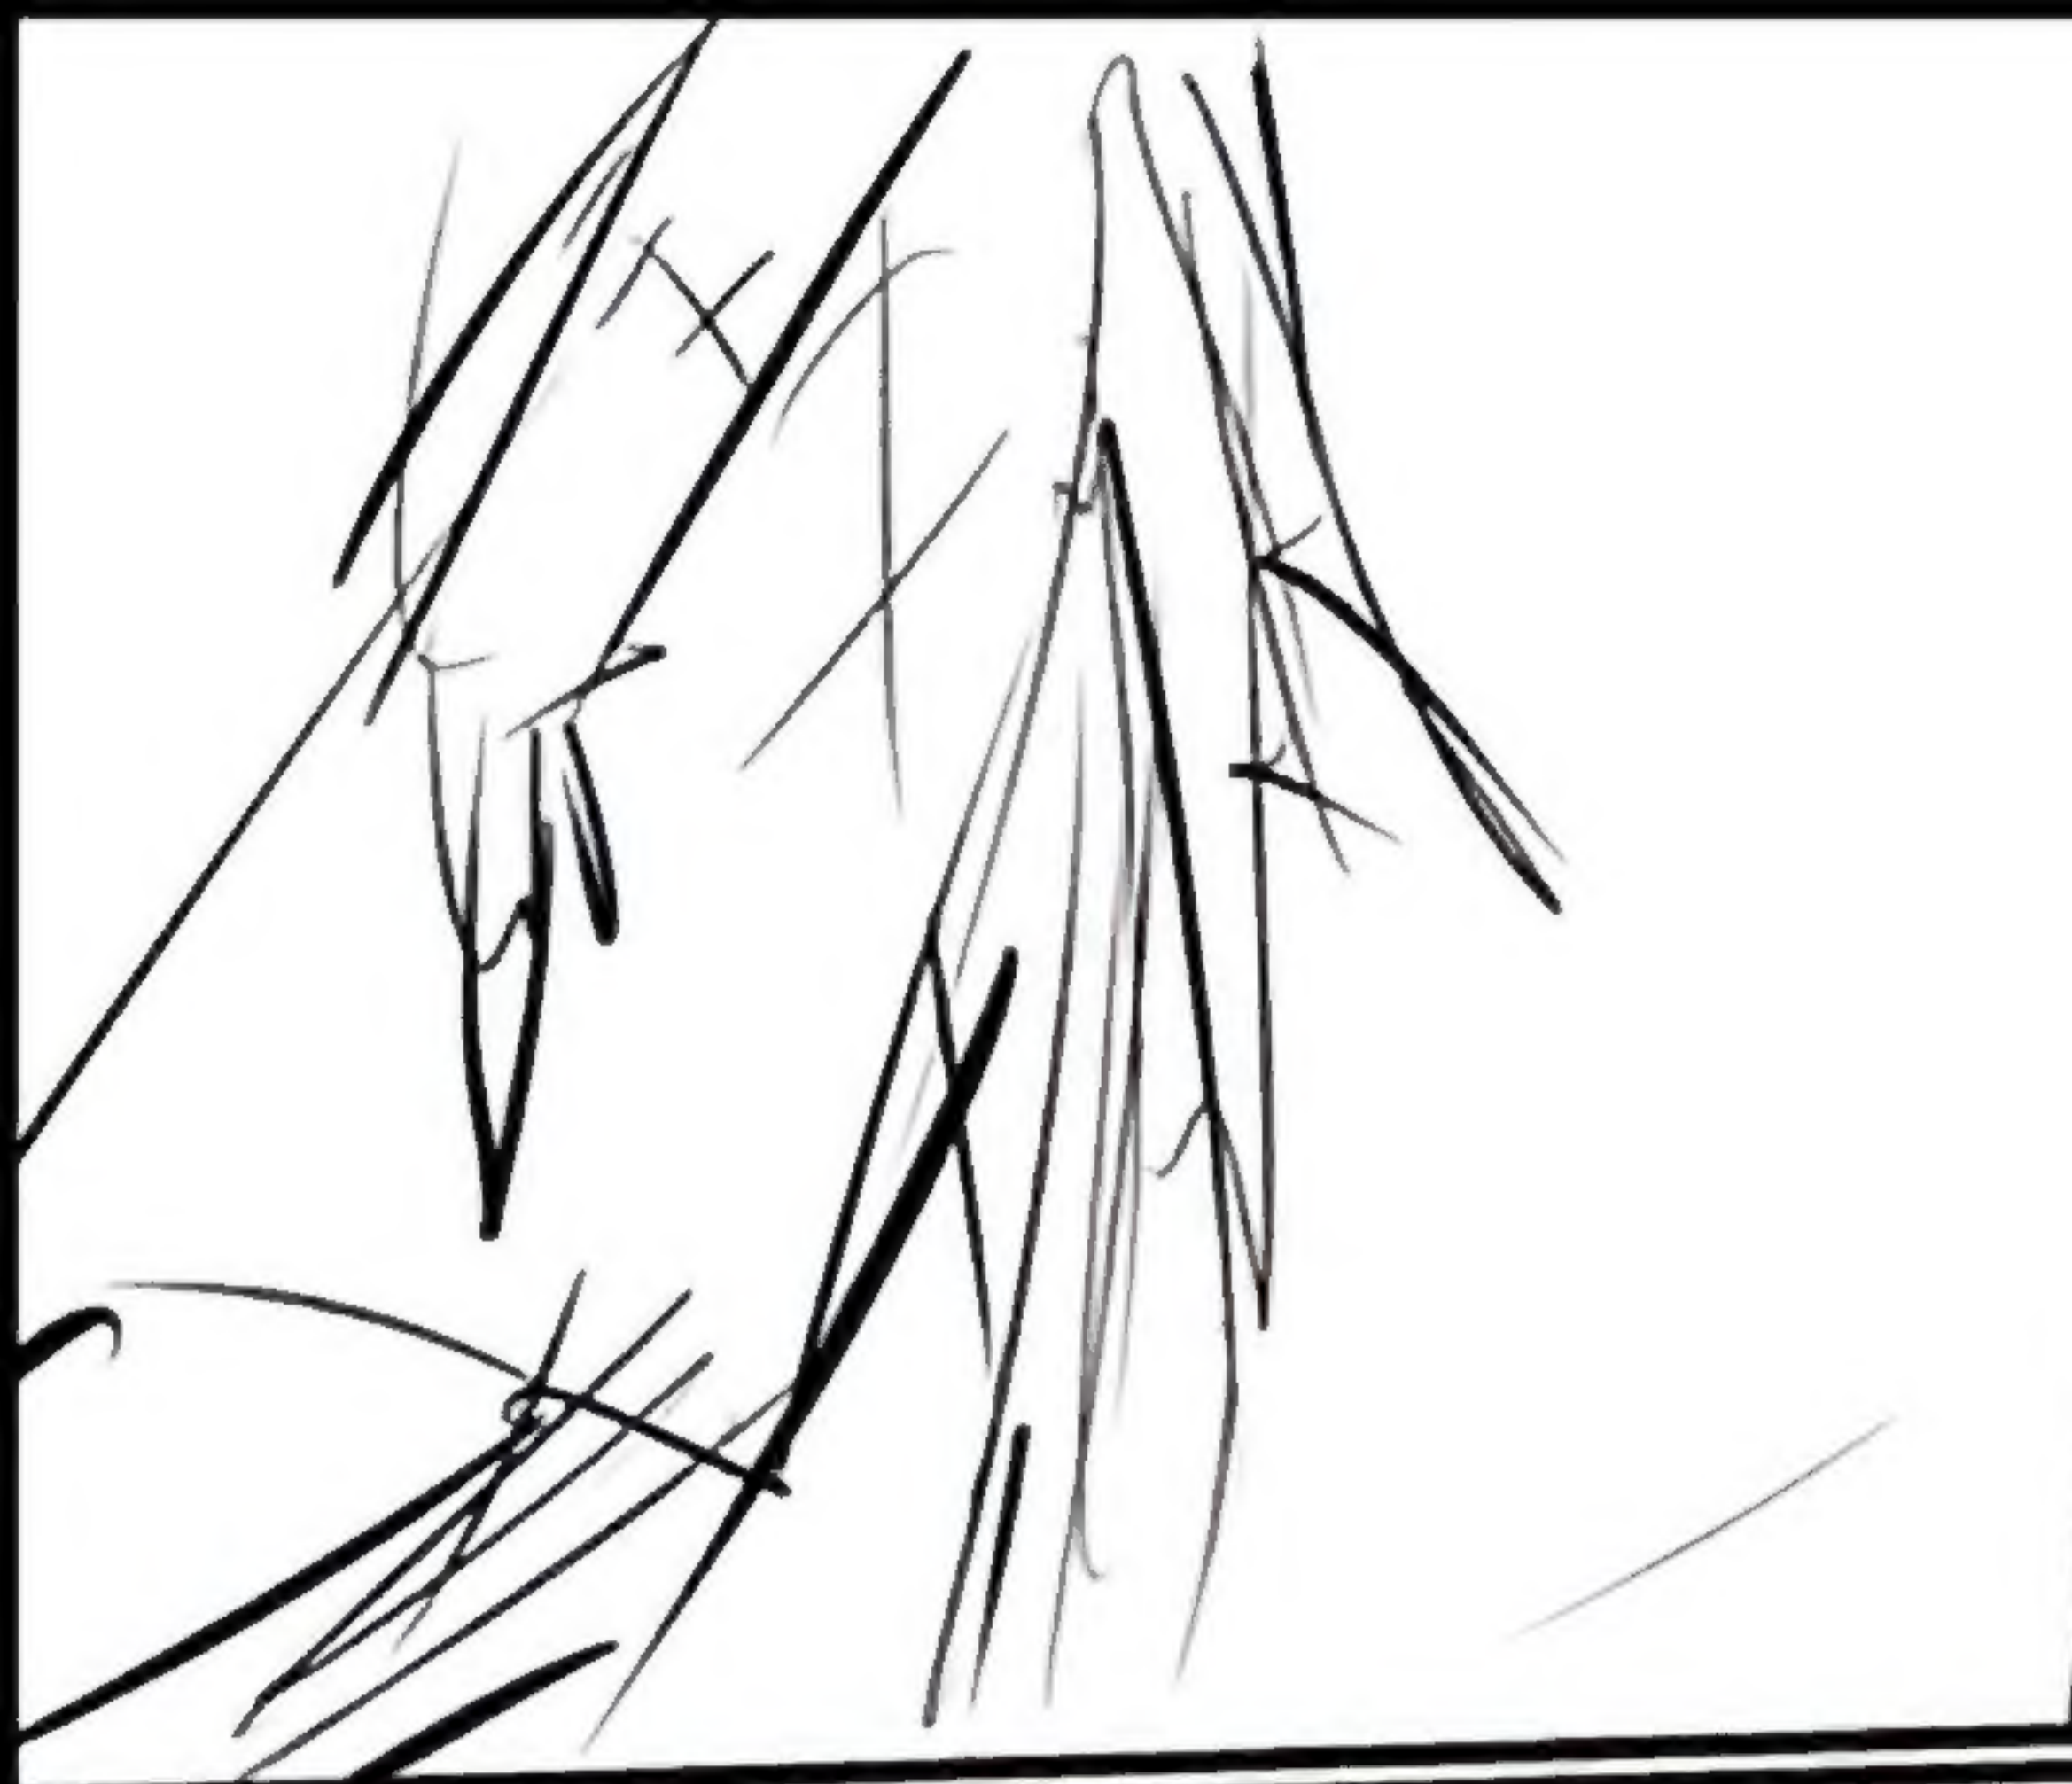

Isn't he
immune
to things
like that?

Speculations on the
specifics of reaper
biology aside, we
have more important
matters to discuss

As you know,
the witch mass...

I won't beat around the bush:

Next week...

Is another school
dance for those
who care

CHAPTER 13 END
